0057	<a href="#">2010-0014-0057</a> <a href="#">USCIS-2010-0014-0057</a>	<p><b>Commenter: jean publiee</b></p> <p>the change is that all companies and hiring parties must use everify. we need to make sure american have jobs. i understand bidens massive scaleof letting in tens of millions of illegal foreigners is takign jobs away from american citizens. bidensplan is anti american and needs to be shut down. everify must be put into affect. i think we have an immigration systexm that is full of bullshit these days, it is dishonest and not doing a damn thing to keep out any foreigners who come here to leach on americans and take advantage of americans. they come here to rob our cars, steal from our stores and take our jobs away and biden sits there and dementia in his brain is causing no help for america or the american people these days. our govt is anti american totally and finally under biden. many american soldiers who have given their lives to save this country never thought it would turn out as disgusting as it has turned out. america is disgusting these days. it used to be a good country with mmorals and ideals. now our president hides what he does with fake names and it is reported he takes bribes from foreign countries to turn america into a sodden mess. what is gong on is just as horrible as it can be for this country. usa is downhill all the way under biden. we have nothing left ot be proud of.</p>	<p><b>Response:</b> USCIS determined the comment to be unrelated to the information collection.</p>
