	USCIS-2007-0020-0104	<p>this agency does nothign to protect america from rapacious hordes of foreigners coming here to rape, steal, rob, sell drugs, kill americans and it goes on. this agency disrespects the aemican people who are 70% against allowing this degradation of america with all these leaching hordes from foreign countries. uscis doesnt listen at all to the ameicna people who are clamoring for a shut down of this southern border deplorable situation., this agency dispespecgts the aemrican people and their voice, despite the fact that we are to ahve a govt by the peopl for thepeople. it doesnt do that at all. we are to have open govt. this agency does not respond to that principlke for america either. the voice of american people is disrespected completly by this agency, which calls them not relevants andnothing is more relevant than the runing of america by these hordes from countries that are filled with bribery adcorruption all of them are coming here to bring that to america to make america worse. we had corruption before but it is amgnified by the crap people we are letting into this country, the rapists, the druggies, the criinals the mexican cartels. they all come here in mighty numbers. to ruin america and htis agency just lets it all happen.there is no open govt at this agency that listens to american citizens. our couinry was founded ont hat principle. this agency is not protecting america one bit. it is a travesty of corruption.</p>	Response: USCIS determined the comment to be unrelated to the information collection.
