1.	USCIS-2007-0020-0099	<p>Commenter: Jean Publiee</p> <p>this applicatoin should be permanently stopped and banned and unusable. there shoudl be no appeal from deportation. once thre is one judgment in favor of deportatoin it should follow. i see no reason to see that justice is carried out so liberally with lawbreaking sneaks with 20 identifiesin their pockets. they come here to leach, for free food free schooling, free transport, free rent and they are bankrupting by the trillions of dollars american citizens paying for thi slargesse for thesesneaking lawbreakers. no further litigation for these sneaks, bums. send them back to their own country. thye can work to improve their own country and get the freebies. we are being sacked, just like rome by biden and his foerign sneaking lawbreakers. biden is not working for americans. he is working for allt he foreigners bcause he wants them to vote for him, crooks that he is imo. the entire system has gotten rotten to the core for american citizens. we have a country that regards us here as second lss citizens and that is robbing all we have worked for in working 2 and 3 jobs to give away to the sneaks from foreign countries. we dont want hem here. get rid of them the faster the better.</p>	<p>Response: USCIS determined the comment to be unrelated to the information collection.</p>
