Federal Emergency Management Agency

[Docket ID: FEMA–2022–0026; OMB No. 1660–0023]

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 60-Day notice of revision and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on a revision of a currently approved information collection. You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The National Flood Insurance Program (NFIP) codified as 42 U.S.C. 4001, *et seq.* is authorized by Public Law 90–448 (1968) and expanded by Public Law 93–234 (1973). The Department of Homeland Security, Federal Emergency Management Agency (FEMA) administers the NFIP. The NFIP's major objective is to assure that participating communities are achieving the flood loss reduction objectives through adoption and enforcement of adequate land use and control measures. Sections 1315 and 1361 provide the basis for FEMA's process to evaluate how well communities are implementing their floodplain management programs. Title 44 CFR 59.22 directs the respondent to submit evidence of the corrective and preventive measures taken to meet the flood loss reduction objectives.

The two key methods FEMA uses in determining community assistance needs are through the Community Assistance Contact (CAC) and Community Assistance Visit (CAV), which serve to provide a systematic means of monitoring community NFIP compliance. Through the CAC and CAV, FEMA can also determine to what extent communities are achieving the flood loss reduction objectives of the NFIP. By providing assistance to communities, the CAC and CAV also serve to enhance FEMA's goals of reducing future flood losses, thereby achieving the NFIP's cost-containment objective. The burden hours and costs associated with this collection were re-evaluated which led to the main revision in this extension request.

This notice announces the availability of FY 2023 FMRs, describes the methods used to calculate the FY 2023 FMRs, responds to comments submitted on the notice of Proposed Changes to the Methodology Used for Calculating Fair Market Rents, and enumerates the procedures for Public Housing Agencies (PHAs) and other interested parties to request reevaluations of their FMRs as required by HOTMA.

DATES:

There are two methods for submitting public comments:

1. *Electronic Submission of Comments.* Interested persons may submit comments or reevaluation

Electronic submission of comments or reevaluation requests allows the author maximum time to prepare and submit a comment or reevaluation request, ensures timely receipt by HUD, and enables HUD to make them immediately available to the public. Comments or reevaluation requests submitted electronically through the <https://www.regulations.gov> website can be viewed by other submitters and interested members of the public. Commenters or reevaluation requestors should follow instructions provided on that site to submit comments or reevaluation requests electronically.

2. *Submission of Comments by Mail.* Members of the public may submit comments or requests for reevaluation by mail to the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500. Due to security measures at all federal agencies, however, submission of comments by standard mail often results in delayed delivery. To ensure timely receipt of comments or reevaluation requests, HUD recommends that comments or requests submitted by standard mail be submitted at least two weeks in advance of the deadline. HUD will make all comments or reevaluation requests received by mail available to the public at <https://www.regulations.gov>.

Note: To receive consideration as public comments or reevaluation requests, comments or requests must be submitted through one of the two methods specified above. Again, all submissions must refer to the docket number and title of the notice.

I. Background

Section 8 of the USHA (42 U.S.C. 1437f) authorizes housing assistance to aid lower-income families in renting safe and decent housing. Housing assistance payments are limited by FMRs established by HUD for different geographic areas. In the Housing Choice Voucher (HCV) program, the FMR is the basis for determining the "payment standard amount" used to calculate the maximum monthly subsidy for an assisted family. See 24 CFR 982.503. HUD also uses the FMRs to determine initial renewal rents for some expiring
