RE: Addition to 1810-0724

The Office of Elementary and Secondary Education (OESE) requests a simple change to the 1810-0724 information collection that will re-add three questions into the Consolidated State Performance Report. These three questions, approved previously by OMB and collected in the prior version of the CSPR, were unintentionally removed from the current collection. OESE must collect these three questions related to the disbursement of funds to subgrantees for the American Rescue Plan Elementary and Secondary School Emergency Relief – Homeless Children and Youth (ARP-HCY) Fund.

These data are to be used by the Office of School Support & Accountability (SSA) to conduct an ARP-HCY national study that provides an administrative data analysis of identification rates and academic outcomes for students experiencing homelessness in LEA subgrantees. After what was expected to be the final year of collection, OESE learned that some States did not report any or all of their ARP Homeless II subgrantees because they anticipated reporting these awards in the following year’s CSPR.

States have collected and expect to continue reporting these data to OESE. Therefore, OESE is now requesting that the following questions be added to Part I of the CSPR:

1.5.4 ARP-Homeless I Subgrantees

Question	# LEAs
How many LEAs received subgrants with ARP-Homeless I funds including those participating in consortia?	

1.5.5 ARP-Homeless II Subgrantees

Question	# LEAs
How many LEAs received subgrants with ARP-Homeless II funds including those participating in consortia?	

1.5.6 Subgrantees Awarded Funds through ARP-Homeless I and II

Please list the NCES LEA ID and name of each LEA that received ARP-Homeless funds and the amount each received. For consortia, list all the LEAs participating in them and assign the total ARP Homeless I or II award amount to the lead LEA. This information will be collected from SEAs outside of the CSPR collection tool.
