Proposed Second Reminder

Dear Vehicle Owner,

The U.S. Department of Transportation's (DOT) Bureau of Transportation Statistics (BTS) is still collecting responses to the **Electric Vehicle Inventory and Use Survey (eVIUS)**. The survey deadline has been extended to X.

If you have submitted your survey in the past few weeks, thank you! If you have not yet done so, please complete the survey as soon as possible. The survey takes only **15 minutes** to complete.

Your response provides valuable information that will be used to inform federal planning and policies related to electric vehicles and charging infrastructure.

Instructions for accessing your survey:

Your unique password:

1. **Type** the survey URL into your internet browser: https://eVIUSSurvey2023_20134.com
OR scan the survey QR code: [PROVIDE QR CODE]
2. **Enter** your unique password.
3. **Access the survey** by clicking on "GO TO SURVEY." You can return to your account over multiple sessions to complete the survey.

For more information on eVIUS, visit www.bts.gov/eVIUS.

For questions or if you are having technical difficulties completing the online survey, please email eVIUS-help@dot.gov or call 1-844-738-9627, Monday through Friday, 8:00 a.m. to 5:00 p.m. Eastern time.

Thank you in advance for your time and participation. Your response is critical to the success of this survey.

Sincerely,

Patricia Hu
Director, Bureau of Transportation Statistics

Proposed Second Reminder

How will we use the information we collect from you, and how do we protect that information?

Your participation in eVIUS is voluntary; however, your response is needed to ensure an accurate and comprehensive picture of the characteristics and uses of electric vehicles on our Nation's roads. A summary report, as well as other data products, will be published on the BTS web page at www.bts.gov/eVIUS. The data will be aggregated, and no individual information will be included. The Bureau of Transportation Statistics, its employees, and agents will use the information you provide for statistical purposes only and will hold your individual information in confidence to the full extent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act of 2002 ([Title 5 of Public Law 107-347](#)) and other applicable Federal laws, your responses will not be disclosed in identifiable form without your informed consent. Per the [Federal Cybersecurity Enhancement Act of 2016](#), Federal information systems are protected from malicious activities through cybersecurity screening of transmitted data.

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB approval number for this collection is XXXX-XXXX and it expires on MM/DD/YYYY. Public reporting for this collection of information is estimated to be approximately fifteen minutes per response, including the time for reviewing instructions, completing and reviewing the collection of information.
