DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-7060-N-08]

60-Day Notice of Proposed Information Collection: Evaluation of the Supportive Services Demonstration; OMB Control No.: 2528-0321

AGENCY: Office of Policy Development and Research, HUD.

ACTION: Notice.

SUMMARY: HUD is seeking approval from the Office of Management and Budget (OMB) for the information collection described below. In accordance with the Paperwork Reduction Act, HUD is requesting comment from all interested parties on the proposed collection of information. The purpose of this notice is to allow for 60 days of public comment.

DATES: *Comments Due Date:* March 6, 2023.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control Number and should be sent to: Anna P. Guido, Reports Management Officer, REE, Department of Housing and Urban Development, 451 7th Street SW, Room 4176, Washington, DC 20410-5000; telephone 202-402-5534 (this is not a toll-free number) or email at Anna.P.Guido@hud.gov for a copy of the proposed forms or other available information. HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities.

To learn more about how to make an accessible telephone call, please visit <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>.

FOR FURTHER INFORMATION CONTACT:

Anna P. Guido, Reports Management Officer, REE, Department of Housing and Urban Development, 451 7th Street SW, Washington, DC 20410; email Anna P. Guido at Anna.P.Guido@hud.gov or telephone 202-402-5535. This is not a toll-free number. HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities. To learn more about how to make an accessible telephone call, please visit <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>.

Copies of available documents submitted to OMB may be obtained from Ms. Guido.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection:

Evaluation of the Supportive Services Demonstration.

OMB Approval Number: 2528-0321.

Type of Request: Revision.

Form Number: NA.

Description of the need for the information and proposed use: The U.S. Department of Housing and Urban Development (HUD) has contracted with Abt Associates Inc. and L&M Policy Research to continue conducting an evaluation of HUD's Supportive Services Demonstration (demonstration, or SSD), which was extended by Congress for an additional two years in the Consolidated Appropriations Act, 2021. The demonstration tests the Integrated Wellness in Supportive Housing (IWISH) model and is designed to learn whether structured health and wellness support can help older adults living in affordable housing successfully age in place. The demonstration funds a full-time Resident Wellness Director and part-time Wellness Nurse to work in HUD-assisted housing developments that either predominantly or exclusively serve households headed by people aged 62 and over. The demonstration is testing whether IWISH will affect unplanned hospitalizations and the use of other types of acute care with high healthcare costs, the use of primary and nonacute care, the length of stay in housing, transitions to long-term care facilities, and mortality. Eligible HUD-assisted properties applied for the

demonstration and were randomly assigned to one of three groups:

1. A “treatment group” that received grant funding to hire a Resident Wellness Director and Wellness Nurse and implement the SSD model (40 properties).

2. An “active control” group that did not receive grant funding but received a stipend to participate in the evaluation (40 properties).

3. A “passive control” group that received neither grant funding nor a stipend (44 properties).

The random assignment permits an evaluation that quantifies the impact of the SSD model by comparing outcomes at the 40 treatment group properties to outcomes at the 84 properties in the active and passive control groups.

Under contract with HUD’s Office of Policy Development and Research, Abt Associates Inc. has been conducting a two-part evaluation: a process study to describe the implementation of the demonstration, and an impact study to measure the effect of the SSD model on residents’ use of healthcare services and housing stability. The first phase of the demonstration ran from October 2017–October 2020. The Continuing Appropriations Act, 2021 and Other Extensions Act and the Consolidated Appropriations Act, 2021 extended the demonstration for an additional two

years. Abt will continue to evaluate the demonstration through September 2026.

During the first phase of the evaluation, Abt Associates Inc. received OMB approval for the following primary data collection activities:

- Questionnaires with staff from the treatment and active control properties.
- Focus groups with residents of treatment and active control properties and caregivers of residents of the treatment properties.
- Interviews with Resident Wellness Directors and Wellness Nurses at the treatment group properties.
- Interviews with Service Coordinators at the active control group properties.
- Interviews with representatives of organizations that own or manage the active control or treatment properties.

This request is for an additional round of data collection for the activities listed below:

- Interviews with Resident Wellness Directors and Wellness Nurses at each of the 40 treatment properties.
- Interviews with property owners or managers at the 40 treatment properties and 40 active control properties.
- Interviews with up to 150 residents of 10 of the treatment properties.

The purpose of these activities is to collect data from demonstration staff, property owners and managers, and residents about the continued implementation of the demonstration,

including the model’s strengths and weakness, and how resident wellness services and activities compare across treatment and control properties. The evaluation will culminate in a comprehensive report that will be made publicly available.

Respondents: (i.e., affected public): Resident Wellness Directors, Wellness Nurses, Property owners and managers, and HUD-assisted residents (aged 62 and over).

Estimated Number of Respondents: Up to 54 Resident Wellness Directors, 44 Wellness Nurses, 40 property owners and managers of treatment properties, 40 property owners and managers of active control properties, and 150 HUD-assisted residents aged 62 and older living in treatment properties.

Frequency of Response: Once for all interviews.

Average Hours per Response: Interviews with Resident Wellness Directors and Wellness Nurses will take an estimated take 3 hours each, interviews with property owners and managers will take an estimated 2 hours each, resident interviews conducted in the resident’s preferred language an estimated 1.5 hours each, and resident interviews conducted via on-demand interpretation will take an estimated 3 hours each.

Total Estimated Burdens:

ESTIMATED HOUR AND COST BURDEN OF INFORMATION COLLECTION

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hour	Hourly cost per response	Annual cost
Interviews with Resident Wellness Directors	54	1	54	3	162	¹ \$40.00	\$6,480.00
Interviews with Wellness Nurses	44	1	44	3	132	² 63.99	8,446.68
Interviews with Treatment Group Property Owners and Managers	40	1	40	2	80	³ 51.23	4,098.40
Interviews with Active Control Property Owners and Managers	40	1	40	2	80	³ 51.23	4,098.40
Resident Interviews conducted in core languages	120	1	120	1.5	180	⁴ 9.63	1,733.40
Resident Interviews conducted via on demand interpretation ..	30	1	30	3	90	⁴ 9.63	866.70
Total	328	724	25,723.58

¹ Estimated cost burden for Resident Wellness Directors participating in interviews is based on the average hourly wage for private industry workers by industry sector. U.S. Bureau of Labor Statistics, June 2022, for the healthcare and social assistance industry (\$40.00), accessed September 26, 2022 at Table 4. Private industry workers by occupational and industry group—2022 Q02 Results (b/s.gov).

² Estimated cost burden for property Wellness Nurses participating in interview is based on the average hourly wage for private industry workers by industry sector. U.S. Bureau of Labor Statistics, June 2022, for Registered Nurse Occupations (\$63.99), accessed September 26, 2022 at Table 4. Private industry workers by occupational and industry group—2022 Q02 Results (b/s.gov).

³ Estimated cost burden for property owners and managers is a blended rate based on average hourly and weekly earnings of all employees on private nonfarm payrolls by industry sector, seasonally adjusted. U.S. Bureau of Labor Statistics, June 2022 for all private industry workers (\$38.91) and the hourly cost for management, professional, and related workers (\$63.55). Accessed September 26, 2022: Table 4. Private industry workers by occupational and industry group—2022 Q02 Results (*bls.gov*).

⁴ To estimate hourly cost for the residents, we used average monthly Social Security benefit for retired works in June 2022, (accessed in September 26, 2022: <https://www.ssa.gov/news/press/factsheets/basicfact-alt.pdf>) which was \$1,669 and converted this into an hourly rate of \$9.63 per hour (by multiplying \$1,669 by 12 months and dividing by 2,080 hours).

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected, and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35 and title 42 U.S.C. 5424 note, title 13 U.S.C. 8(b), and title 12, U.S.C., section 1701z–

Solomon J. Greene,

Principle Deputy Assistant Secretary for Policy Development and Research.

BILLING CODE 4210–67–P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLNVS01000 L58530000 EU0000 241A; MO#4500163717; TAS: 22X]

Notice of Realty Action: Direct Sale of Public Land for Affordable Housing Purposes in Henderson, Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) proposes to sell a 5-acre parcel of public land located in the southern portion of the Las Vegas Valley, Nevada, under the authorities of

section 203 of the Federal Land Policy and Management Act of 1976, as amended (FLPMA), BLM land sale regulations, and the Southern Nevada Public Land Management Act of 1998, as amended (SNPLMA). The BLM proposes that the parcel be sold by direct sale to the Clark County Department of Social Services (Clark County), a division of the State of Nevada, at less than the appraised fair market value, for affordable housing purposes pursuant to section 7(b) of SNPLMA and applicable BLM policy.

DATES: Submit written comments regarding this direct sale until February 21, 2023.

ADDRESSES: Mail written comments to the BLM Las Vegas Field Office, Assistant Field Manager, Division of Lands, 4701 North Torrey Pines Drive, Las Vegas, Nevada 89130.

FOR FURTHER INFORMATION CONTACT: Kerri-Anne Thorpe, Supervisory Realty Specialist, Las Vegas Field Office, by email: ktorpe@blm.gov, or by telephone: (702) 515–5176. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: Clark County submitted a sale nomination application to the BLM for the proposed affordable housing project called Pebble and Eastern Affordable Housing Development (Pebble and Eastern Project). The sale parcel is in the City of Henderson, north of Pebble Road and west of Eastern Avenue, in the southeast part of the Las Vegas Valley. The parcel is further described as:

Mount Diablo Meridian, Nevada

T. 22 S., R. 61 E.,
Sec. 14, W $\frac{1}{2}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$.

The area described contains 5 acres, according to the official plats of the surveys of said land on file with the BLM.

This direct sale is in conformance with the BLM Las Vegas Resource Management Plan Record of Decision LD–1, approved on October 5, 1998. The Las Vegas Valley Disposal Boundary Environmental Impact Statement and

Record of Decision issued on December 23, 2004, and the Las Vegas In-Valley Area Multi-Action Analysis Environmental Assessment (DOI–BLM–NV–S010–2016–0054–EA) analyzed the sale of this parcel. A parcel-specific Determination of NEPA Adequacy (DOI–BLM–NV–S010–2020–0034–DNA) was prepared in connection with this notice. The parcel is not required for any Federal purpose.

Under SNPLMA section 7(b), the Secretary of the Interior, in consultation with the Secretary of Housing and Urban Development (HUD), may make BLM-administered public lands available for affordable housing purposes in the State of Nevada at less than the appraised fair market value. Attachment 1 of Instruction Memorandum NV–2006–067 (Authority and Provisions for Land Disposal for Affordable Housing), also referred to as the Nevada Guidance, provides the discount percentages that may be administratively applied to the fair market value for affordable housing sales. For the purposes of SNPLMA, housing is “affordable housing” if it serves low-income families as defined in section 104 of the Cranston-Gonzales National Affordable Housing Act (Cranston-Gonzales Act). The Cranston-Gonzales Act defines “low-income families” as families whose incomes do not exceed 80 percent of the median income for the area as determined by HUD, or as otherwise adjusted by statute. Clark County’s proposed Pebble and Eastern Project would use 100 percent of the parcel to serve senior citizens, including seniors with special needs, with income at or below 60 percent of the area median income, which represents extremely low income based on the Nevada Guidance.

Clark County’s application includes a comprehensive plan for assessment and evaluation of the need for and feasibility of this affordable housing project. As required by SNPLMA section 7(b), HUD reviewed the Pebble and Eastern Project and provided the BLM with a No Objection letter dated September 9, 2021. HUD’s No Objection letter confirmed that the Pebble and Eastern Project, as proposed, will utilize 100 percent of the land to serve low and very low-income families whose income is 60 percent or less of the area median income. HUD further confirmed that the
