(Draft)

A Message from the Director, U.S. Census Bureau:

The Census Bureau and the Department of Housing and Urban Development are requesting your cooperation with the **2024 Rental Housing Finance Survey**. This survey provides an overall portrait of rental housing in the United States and is the primary source of rental housing data for the Department of Housing and Urban Development, federal, state, and local governments and the public. This survey helps inform the development of rental housing policies, especially those pertaining to financing rental housing for targeted groups such as low-income families and individuals, and the elderly.

You have been selected to participate in this survey for the property listed below:

Sincerely,

Robert L. Santos
Director

OMB Number

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 2528-0276 and appears in the top right corner of each reporting screen. Without this approval, we could not conduct this survey.

Authority and Confidentiality

Title 13, United States Code (U.S.C.), Section 8, and Title 12, U.S.C., Sections 1701z-1, 1701z-2(g), and 1701z-10a, authorize the U.S. Census Bureau to conduct this collection and to request your voluntary assistance. The Census Bureau is required by Section 9 of Title 13 to keep your information confidential and can use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data. Collected information is subject to the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/Census-3, Demographic Survey Collection (Census Bureau Sampling Frame).

Burden Estimate Statement

We estimate the Rental Housing Finance Survey will take an average of 1 hour to complete. Factors such as company size, complexity and activity will affect your actual time to complete the survey. This estimate includes the time to review instructions, search existing data sources, gather and maintain the data needed, and complete and review the survey.
