Section II: Progress and Narrative

Instructions: Reports due for the period ending March 31 should describe the activities from the previous six-month period and reports due for the period ending September 30 should cover the previous 12-month period. Final reports should cover the entire performance period from the start of the grant. All expenses should be reported by reporting period and cumulative, with cumulative totals matching what is reported on the FFR.

Additional guidance can be found on our website: <https://www.eac.gov/payments-and-grants/financial-progress-reporting>

EAC grants reports will be made publicly available. Therefore, your report narrative should:

- Be written in clear, concise, and plain language
- Not include sensitive confidential information

Check if no grant activity during this reporting period.

Comments (optional):

6. For each of the following categories, *briefly* describe the activities carried out during the reporting period only and how you implemented the approved grant activities in accordance with your Program Narrative.

For each category provide all federal expenditures (including federal interest and subaward expenditures) and state match expenditures (including state interest, program income, and subaward expenditures) for the reporting period only. (*Note:* You will be able to provide more details on subaward activities and expenditures in Section III).

a. Describe any issues that arose during the implementation of the project.
b. Describe how and whether the issues were resolved. Also, briefly discuss the implications of any unresolved issues or concerns.
12. Describe any significant changes to your program during the reporting period, including changes to your original State Plan or Program Narrative or favorable developments that improved program efficiency and/or service delivery.
<input type="checkbox"/> Check if no significant changes were made during this reporting period

Section V: Expenditure Table

13. The Expenditure Table includes cumulative and current reporting period data.

Electronic Submission

“Current Reporting Period” amounts are auto-filled based on your response to Section II, question 6.

“Previous Expenditures” refers to cumulative expenditures from the previous annual reporting period. If this is your first time entering cumulative data, please enter the amounts. Once your initial report has been submitted, the column will be auto-filled for future reports. Review the table and ensure the amounts are accurate and make corrections as needed prior to submission.

Expenditures should be consistent with activities described in your narrative and with the amounts in your federal financial report

Paper Submission

Please enter the Federal and State match expenditures for both the current reporting period and cumulative expenditures from the start of the grant performance period. Write in any costs that do not fit into the predefined categories next to “Other”.

“Current Reporting Period” amounts should be the same amounts reported in question #6a-i. “Previous Expenditures” refers to cumulative expenditures from the previous annual reporting period. The column for “Current Cumulative Expenditures” will automatically calculate cumulative expenditures for the current reporting period.

Expenditures should be consistent with activities described in your narrative and with the amounts in your federal financial report.
