

November 1, 2021

Why am I getting this letter?

You should have received the *2020 Hemp Acreage and Production Survey*. **If you have already responded to the survey, no further action is required.**

If you have not responded, there is still time. Please take a few minutes to respond by following the directions on the right.

If we do not receive your completed questionnaire – either via agcounts.usda.gov or by mail or fax – we may contact you to arrange a telephone interview.

How will the data be used?

The information and results from this survey will:

- Allow hemp producers, the U.S. Department of Agriculture, and other interested parties to analyze data on a state-by-state basis.
- Provide a statistical benchmark on hemp production.
- Be used for statistical purposes only. In accordance with federal law, your responses will be kept confidential.
- Be published by NASS on its website in a report in early 2022.

Thank you for participating and for your support of agricultural statistics and U.S. agriculture. **If you have any questions or need assistance completing your questionnaire, please call 888-424-7828.** For more information, visit nass.usda.gov.

Sincerely,

Joseph L. Parsons
Chair, Agricultural Statistics Board

Enclosure

What should I do next?

Complete your survey in one of the following ways:

Online at agcounts.usda.gov. **Online reporting is fast and secure.** All you need is the unique survey code on the enclosed form to begin.

By **mail or fax**. Complete the questionnaire and mail it back in the envelope provided or fax it to 855-415-3687.
