Are NRCS's actions and words in unison?
13. As a producer/landowner, is there other assistance NRCS can provide to act as a facilitator for other issues?
14. What conservation practices have you implemented and been successful with?
15. What conservation practices have you attempted and been unsuccessful? Why?
16. IF NRCS-Ohio could solve one natural resource problem or concern for you, what would it be?

Seeking Brooke's assistance/approval of non-discriminatory statement for partner survey.

### **Vision**

*Sustaining, safeguarding, and protecting natural resources to achieve clean water, healthy soils, resilient landscapes, and thriving communities through voluntary conservation.*

### **Mission Statement**

*To provide voluntary conservation solutions for Ohio landowners and agricultural producers with effective tools, technical skills, and financial assistance to conserve the state's natural resources in a manner that is sustainable, environmentally friendly, and economically efficient.*

### **Core Values**

*Act with integrity · Be accountable · Committed to diversity, equity, and inclusion*  
*Be transparent and responsive · Committed to our employees · Science driven conservation*  
*Be customer-centric, committed to the partnership*

Public Burden Statement (Paperwork Reduction Act): An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0560-0286. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
