A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0018. Without this approval, we could not conduct this collection. Public reporting for this information collection is estimated to be approximately 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. The information in this form is used to provide annual reports on seafood and industrial fishery processing plants as required by the Secretary of Commerce to carry out provisions of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 et seq. as amended). Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the NOAA Fisheries Veronica Pereira at: 1315 East-West Highway, SSMC-3 F/ST-1, Silver Spring, MD 20910, Attn: Fishery Products Report/Veronica Pereira, Veronica.Pereira@noaa.gov.
