Provide details about how the information will be collected (e.g., focus group, interviews, survey) and who (e.g., contractor) will facilitate.

5. Confidentiality of Respondents

[Describe any assurance of confidentiality provided to respondents.]

[You may provide this statement on your survey instrument]: “Your participation / nonparticipation is completely voluntary, and your responses will not have an effect on your eligibility for receipt of any FDA services. In instances where respondent identity is needed (e.g., for follow-up of non-respondents), this information collection fully complies with all aspects of the Privacy Act and data will be kept private to the fullest extent allowed by law.”

6. Amount and Justification for Proposed Incentive

What is the amount, if any, of the incentive offered? Provide a detailed justification as to why this group of respondents for this information collection will receive a stipend, reimbursement of expenses, token of appreciation.

7. Questions of a Sensitive Nature

Describe and provide justification.

8. Description of Statistical Methods

Describe sample size and method of selection.

9. Burden

Replace the content of the example table below with the estimated burden for this gen IC.

Participation time may be in the format of hours or minutes (use a decimal) and indicated in the heading (see highlight).

Burden Hour Computation: Number of Respondents multiplied by participation time = total burden hours. ***Data in all fields of the table must be entered, including totals.***

Be sure not to double count respondents. In the example below the Number of Respondents is 200 because focus group respondents have been counted as part of the focus group screener respondents. (The focus group respondents are part of the screener group.) Round up to whole numbers for the total burden hours; do not use decimals. ***Delete this italicized instruction prior to submission.***

Respondent Type/Category	Number of Respondents	Participation Time (choose hours or minutes)	Total Burden (hours)
Focus group screener respondents	200	1 hour	200
Focus group respondents	120	1 hour	120
Totals	200	2 hours	320
