RE: *CDC – Folic Acid study* (IRB No. 63)

Dear Ms. Teal,

This will confirm that the EurekaFacts, LLC Institutional Review Board (FW#25452) met on 5/19/2023 to review the above captioned research project's review memo and Proposal Statement of Work (SOW). Assisting me with this review were Neva Gavakian and Jorge Restrepo.

The IRB members present and voting unanimously approved this project, with no reservations or concerns expressed. Please note that you are required to notify IRB immediately if you make changes to the protocol that affect the participants.

This initial approval is effective for 12 months from the date the IRB met and approved the project, after which your project must again be presented to the IRB for an annual review.
