NATIONAL SUBSTANCE USE AND MENTAL HEALTH SERVICES SURVEY (N-SUMHSS)

1. What type of treatment does this facility, at this location, provide?

0	Primarily Substance use treatment services
0	Primarily Mental health services
0	Mix of mental health and substance use treatment services
0	No treatment for either substance use or mental health is provided at this location

1a. Do you also provide substance use treatment services?

Select "Yes" if this facility offers substance use treatment as a stand-alone service. Select "No" if it only offers substance use treatment as part of mental health treatment services for individual patients who need it.

O Yes		
O No		

2. Is this facility a jail, prison, or detention center that provides treatment <u>exclusively</u> for incarcerated persons or juvenile detainees?

O Yes
ΟΝΟ
Pledge to Respondents: The information you provide will be protected to the fullest extent allowable under the Public Health

Pledge to Respondents: The information you provide will be protected to the fullest extent allowable under the Public Health Service Act (42 USC 290aa(p)). This law permits the public release of identifiable information about an establishment only with the consent of that establishment and limits the use of the information to the purposes for which it was supplied. With the explicit consent of treatment facilities, information provided in response to survey questions marked with an asterisk may be published on <u>EindTreatment.gov</u>, the National Directory of Drug and Alcohol Use Treatment Facilities, the National Directory of Mental Health Treatment Facilities, and other publicly available listings. Responses to non-asterisked questions will be published with no direct link to individual treatment facilities.

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0386. Public reporting burden for this collection of information is estimated to average XX minutes per facility, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 5600 Fishers Lane, Room 15E57-A, Rockville, Maryland 20857.

MODULE A: SUBSTANCE USE TREATMENT FACILITIES

A1. Which of the following substance use treatment services are offered by this facility <u>at this</u> <u>location</u>, that is, the location listed on the front cover?

Intake, assessment, or referral	O Yes
	ΟΝΟ
Detoxification (medical withdrawal)	O Yes
	ΟΝΟ
Substance use disorder treatment (services that focus on initiating and maintaining	O Yes
an individual's recovery from substance use and on averting relapse)	ΟΝΟ
Treatment for co-occurring substance use <u>plus</u> <u>either</u> serious mental illness (SMI) in adults <u>and/or</u> serious emotional disturbance (SED) in	O Yes
children	ΟΝΟ
Any other substance use treatment services (such as 12 step meeting facilitation, naloxone prescriptions, etc.)	O Yes
	O No

MARK "YES" OR "NO" FOR EACH

A1a. To which of the following clients does this facility, <u>at this location</u>, offer mental health treatment services (interventions such as therapy or psychotropic medication that treat a person's mental health problem or condition, reduce symptoms, and improve behavioral functioning and outcomes)?

Substance use treatment clients
Clients other than substance use treatment clients
No clients are offered mental health treatment services at this facility

MARK ALL THAT APPLY

Benzodiazepines
Cocaine
Methamphetamines
□ Opioids
Other(s):(Specify)

*A2a. Does this facility routinely use medication during detoxification (medical withdrawal)?

O Yes	
ΟΝΟ	

A3. Is this facility a solo practice, that is, an office with only one independent practitioner or counselor?

O Yes		
O No		

*A4. Does this facility offer HOSPITAL INPATIENT substance use treatment services <u>at this</u> <u>location</u>, that is, the location listed on the front cover?

O Yes		
O No		

*A4a. Which of the following INPATIENT services are offered at this facility?

	MARK "YES" OR "NO" FOR EACH
Inpatient detoxification (medical withdrawal) (medically managed or monitored inpatient detoxification)	O Yes O No
Inpatient treatment (medically managed or monitored intensive inpatient treatment))	O Yes O No

*A5. Does this facility offer RESIDENTIAL (non-hospital) substance use treatment services at this location, that is, the location listed on the front cover?

O Yes			
O No			

*A5a. Which of the following RESIDENTIAL services are offered at this facility?

	MARK "YES" OR "NO" FOR EACH
Residential detoxification (medical withdrawal) (clinically managed residential detoxification or social detoxification)	O Yes O No
Residential short-term treatment (<i>clinically</i> managed high-intensity residential treatment, typically 30 days or less)	O Yes O No
Residential long-term treatment (clinically managed medium- or low-intensity residential treatment)	O Yes O No

*A6. Does this facility offer OUTPATIENT substance use treatment services at this location; that is, the location listed on the front cover?

O Yes		
Ο Νο		

*A6a. Which of the following OUTPATIENT services are offered at this facility?

	MARK "YES" OR "NO" FOR EACH
Outpatient detoxification (Ambulatory detoxification)	O Yes O No
Outpatient methadone/buprenorphine maintenance or naltrexone treatment	O Yes O No
Outpatient day treatment or partial hospitalization (20 or more hours per week)	O Yes O No
Intensive outpatient treatment (9 or more hours per week)	O Yes O No
Regular outpatient treatment (outpatient treatment, non-intensive)	O Yes O No

*A7. Which of the following services are offered by this facility <u>at this location</u>, that is, the location listed on the front cover?

Assessment and Pre-Treatment Services	
	Screening for substance use
	Screening for mental disorders
	Comprehensive substance use assessment or diagnosis
	Comprehensive mental health assessment or diagnosis (for example, psychological or psychiatric evaluation and testing)
	Complete medical history and physical exam performed by a healthcare practitioner
	Screening for tobacco use
	Outreach to persons in the community who may need treatment
	Interim services for clients when immediate admission is not possible
	Professional interventionist/educational consultant
	None of the assessment and pre-treatment services above are offered at this facility

MARK ALL THAT APPLY

Testing (include tests performed at this location, even if specimen is sent to an outside source for chemical analysis.)

Drug and alcohol oral fluid testing
Breathalyzer or other blood alcohol testing
Drug or alcohol urine screening
Testing for Hepatitis B (HBV)
Testing for Hepatitis C (HCV)
□ HIV testing
□ STD testing
□ TB screening
Testing for metabolic syndrome (weight, abdominal girth, BP, glucose, Hgb A1C, cholesterol, triglycerides)
\Box None of the testing services above are offered at this facility

Medical Services

Hepatitis A (HAV) vaccination
Hepatitis B (HBV) vaccination
\Box None of the medical services above are offered at this facility

Transitional Services

Discharge planning
Aftercare/continuing care
Naloxone and overdose education
Outcome follow-up after discharge
\Box None of the transitional services above are offered at this facility

Recovery Support Services

Mentoring/peer support
Self-help groups (for example, AA, NA, SMART Recovery)
Assistance in locating housing for clients
Employment counseling or training for clients
Assistance with obtaining social services (for example, Medicaid, WIC, SSI, SSDI)
Recovery coach
None of the recovery support services above are offered at this facility

Education and Counseling Services

HIV or AIDS education, counseling, or support
Hepatitis education, counseling, or support
Health education other than HIV/AIDS or Hepatitis
Substance use disorder education
Smoking/tobacco cessation counseling
Individual counseling
Group counseling
Family counseling
Marital/couples counseling
Vocational training or educational support (for example, high school coursework, GED preparation, etc.)
None of the education and counseling services above are offered at this facility

Ancillary Services

Case management services
Integrated primary care services
Social skills development
Child care for clients' children
Domestic violence services, including family or partner violence services, for physical, sexual, or emotional abuse
Early intervention for HIV
Transportation assistance to treatment
Mental health services
Suicide prevention services
Residential beds for clients' children
□ None of the ancillary services above are offered at this facility

Other Services

□ Treatment for gambling disorder

Treatment for other addiction disorder (non-substance use disorder)

 $\hfill\square$ None of the other services above are offered at this facility

Pharmacotherapies

Disulfiram
Naltrexone (oral)
□ Naltrexone (extended-release, injectable)
□ Acamprosate
Nicotine replacement
□ Non-nicotine smoking/tobacco cessation medications (for example, bupropion, varenicline)
Medications for mental disorders
Methadone
Buprenorphine/naloxone
Buprenorphine without naloxone
Buprenorphine sub-dermal implant
Buprenorphine (extended-release, injectable)
Medications for HIV treatment (for example, antiretroviral medications such as tenofovir, efavirenz, emtricitabine, atazanavir, and lamivudine)
Medications for pre-exposure prophylaxis (PrEp: for example, emtricitabine and tenofovir disoproxil fumarate combination, and emtricitabine and tenofovir alafenamide combination)
Medications for Hepatitis C (HCV) treatment (for example, sofosbuvir, ledipasvir, interferon, peginterferon, ribavirin)
Clonidine
Medications for other medical conditions (Specify:)
None of the pharmacotherapy services above are offered at this facility

*A8. Facilities may treat a range of substance use disorders. The next series of questions focuses <u>only</u> on how this facility treats <u>opioid</u> use disorder. How does this facility treat <u>opioid use</u> <u>disorder</u>?

• <u>Medication-assisted treatment</u> (MAT) includes the use of methadone, buprenorphine products and/or naltrexone for the treatment of opioid use disorder. For this question, MAT refers to <u>any or all</u> of these medications unless specified otherwise.

MARK ALL THAT APPLY

This facility accepts clients using MAT, but the medications originate from or are prescribed by another entity. <i>(The medications may or may not be stored/delivered/monitored onsite.)</i>
This facility prescribes naltrexone to treat opioid use disorder. Naltrexone use is authorized through any medical staff with prescribing privileges.
This facility utilizes prescribers of buprenorphine to treat opioid use disorder. Buprenorphine use is authorized through a DATA 2000 waivered physician, physician assistant, or nurse practitioner.
This facility is a <u>federally certified</u> Opioid Treatment Program (OTP). (Most OTPs administer/dispense methadone; some only use buprenorphine, some provide all FDA-approved medication treatments for opioid use disorder.)
This facility treats opioid use disorder, but it does not use medication-assisted treatment (<i>MAT</i>), nor does it accept clients using MAT to treat opioid use disorder.
This facility uses methadone or buprenorphine for pain management, emergency cases, or research purposes. It is NOT a federally certified Opioid Treatment Program <i>(OTP)</i> .
This facility does not treat opioid use disorder

*A8a. For those clients using MAT *for opioid use disorder*, but whose medications originate from or are prescribed by another entity, the clients obtain their prescriptions from

A prescribing entity in our network
A prescribing entity with which our facility has a business, contractual, or formal referral relationship
A prescribing entity with which our facility has no formal relationship

O Yes			
O No			

*A8c. Which of the following medication services does this program provide for <u>opioid use</u> <u>disorder</u>?

Maintenance services with methadone or buprenorphine
Maintenance services with medically supervised withdrawal (or taper) after a period of stabilization
Detoxification (medical withdrawal) from opioids of abuse with methadone or buprenorphine
Detoxification (medical withdrawal) from opioids of abuse with lofexidine or clonidine
Relapse prevention with naltrexone
Other (for example, overdose risk reduction with naloxone, specify opioid use disorder service and pharmacotherapy used:
□ None of the medication services for opioid use disorder above are offered at this facility

*A9. Facilities may treat a range of substance use disorders. The next series of questions focuses <u>only</u> on how this facility treats <u>alcohol</u> use disorder.

How does this facility treat alcohol use disorder?

• These medications have been approved by the FDA to treat alcohol use disorder: naltrexone, acamprosate, and disulfiram. For this question, MAT refers to <u>any or all</u> of these three medications.

MARK ALL THAT APPLY

This facility accepts clients using MAT for alcohol use disorder, but the medications originate from or are prescribed by another entity
□ This facility administers/prescribes disulfiram for alcohol use disorder
☐ This facility administers/prescribes naltrexone for alcohol use disorder
☐ This facility administers/prescribes acamprosate for alcohol use disorder
This facility treats alcohol use disorder, but it does not use medication-assisted treatment (MAT) for alcohol use disorder, nor does it accept clients using MAT to treat alcohol use disorder
This facility does not treat alcohol use disorder

*A9a. For those clients using MAT *for alcohol use disorder*, but whose medications originate from or are prescribed by another entity, the clients obtain their prescriptions from:

MARK ALL THAT APPLY

	A prescribing	entity in	our network
--	---------------	-----------	-------------

A prescribing entity with which our facility has a business, contractual, or formal referral relationship

A prescribing entity with which our facility has no formal relationship

O Yes
