

Youth Experience Reflective Journal (YERJ)

Directions: When you answer these questions, please think about the last time you received services or supports for anything related to suicidality or mental health. This might be a few days ago, a few weeks ago, or a few months ago. Do your best to describe how those services affected you. You can type your response, record an audio note or video of your response, or attach a photo and caption it with an explanation of how it relates to the question and your experiences.
