Pursuant to 31 CFR Part 50, Subpart K (Sections 50.102 and 50.103), settlements of certain causes of action for property damage, personal injury, or death arising out of – or related to – certified acts of terrorism require Treasury's advance approval as a condition precedent for inclusion in an insurer's aggregate insured losses in its request for Federal share of compensation under the Terrorism Risk Insurance Program (Program). You should refer to the Program Rules for the advance approval requirements, which are available online at <https://www.treasury.gov/resource-center/fin-mkts/Pages/program.aspx>.
