## EVALUATION SURVEYS

### 1. Standard Welcome Page & Participation Decision – ALL Surveys

**1. All surveys that are sent to an activity participant, (both Student and Educator) will be provided with a standardized welcome message, which contains information about the survey and their participation, the NASA Privacy Statement, and the Paperwork Reduction Act Statement**

As a participant in a NASA STEM Engagement activity, you've been selected to take part in this survey. The questions below ask about your experiences with the activity in which you participated in. There are no "right" or "wrong" answers to any of the questions. Your answers to these questions will help us learn more about the activity, including what worked well and what we may improve on. Please complete the questions on this survey to the best of your ability. This survey is voluntary. You do not have to take the survey or answer any questions you do not want to. Also, your responses are confidential, meaning that your name will never be tied to your responses and no one will know how you responded to these questions.

Thank you very much for your help!

If you wish to participate in this survey, please continue.

The information you provide on this NASA-issued form will be used only for its intended purpose. NASA will protect your information consistent with all applicable Federal laws, statutes, Government-wide and NASA Policies and Procedural Requirements. Submitting information is strictly voluntary and, by doing so, you are giving NASA your permission to use the information for the specific purpose of planning, implementing and assessing STEM engagement activities. Additionally, the data collected is used by NASA staff to support STEM engagement activity continuous improvement processes and to respond to federally mandated and Agency reporting on STEM engagement activities. If you do not want to give NASA permission to use your information, simply do not provide it. However, not providing the requested information may result in NASA's inability to provide you with the information or STEM engagement services you desire. **Paperwork Reduction Act Statement:** This information collection meets the requirements of 44 U.S.C. §3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is XXXX-XXXX and expires DD/MM/YYYY. We estimate that it will take 20 minutes to read the instructions and answer the questions. Send only comments relating to this time estimate to: [insertaddress@nasa.gov](mailto:insertaddress@nasa.gov).

**2. Student and Educator Respondents can decide if they would like to continue on with the survey. If the respondent chooses not to participate, the system will stop the survey at this point and will prevent them from moving forward. If they choose to participate in the survey, the system will route the respondent forward to the relevant survey questions.**
