## Spreadsheet Contents

### Overview of Tabs

- **Overview:** Provides an outline of each tab, and how to fill out the spreadsheet.
- **Company:** Answer questions about your company.
- **Survey:** Input the answers about your company.
- **Add Location(s):** Add any locations that are not represented in the Survey tab here.
- **Products:** (If applicable) Provide a specific list of the products your company manufactures at each location.
- **Instructions:** Detailed instructions for how to answer each individual survey question.

### DO NOT:

- Re-name, modify, or delete any of the columns in the survey tab. Doing so will make your survey unreadable.
- Re-name, modify, or delete any of the rows denoting your locations in the survey tab.
- Delete any tabs.

### PLEASE NOTE:

Colors indicate if a cell is a question, or if a response is required at that level, optional at that level, or not applicable.

Blue cells represent question text.
White cells represent required answer at that level.
Yellow cells represent optional answer at that level.
Gray cells represent not applicable answers.

## Additional Information:

- Each column represents a question. The questions are grouped by topics.
- Answers should be formatted in thousands of a number, unless otherwise specified in the row below the question.
- Fill in all the information on the Survey tab
- Some questions are required by each location (establishment).
  - For these questions, the industry level is gray (non-applicable), and the location level is white (required).
- Some questions are required by each industry, but you can choose to answer by location.
  - For these questions, the industry level will be white (required), and the location level will be yellow (optional).
  - For these questions, if you answer by location, the workbook will automatically sum by industry.
- You can type over any auto-summed cells.
- Add any missing locations in the Add Locations tab.

## Survey Tutorial

The Survey tab of the spreadsheet is a customized reporting spreadsheet where you can find a listing of all your locations and corresponding information. You will input the answers for your company's locations and industries.

### Key Orientation Features:

- Location Information
- Consolidated Industries
- Question Rows
- Company Totals
- Color Codes
- Auto-Summing

### Location Information

On the customized reporting spreadsheet, you can find a listing of all your locations, and corresponding information in columns B-J.

Figure 1: Location information located on the 'Survey' tab

The screenshot displays a spreadsheet with a blue selection box highlighting a table of location data. The table includes columns for Name 1, Name 2, Store/Plant/Location Identifier, EIN, Street, City, State, Zip, and Industry. A 'Showing: 12 of 12' indicator is present at the bottom of the highlighted table. Below the main table, there is a summary row for 'Showing: 12 of 12' with a 'Total' column. At the bottom of the spreadsheet, there is a list of industries and a note: 'Note: represents a fictional company'.

Scroll down past the location rows to find the consolidated industries. You can find the same industries outlined in column J listed here. This will come in handy as you're filling in your data, because you can enter information on either level.

Figure 3: Scroll to the bottom of the 'Survey' tab for consolidated industry reporting

The screenshot displays a survey application interface. At the top, there is a table with columns B through G. The rows represent different locations for 'CENSUS CAT COMPANY'. Below the table, there is a dropdown menu for 'Industry' with the following options:

- Other Grocery and Related Products Merchant Wholesalers
- Pet and Pet Supplies Stores
- Pet Care (except Veterinary) Services
- Dog and Cat Food Manufacturing
- All Other Miscellaneous Chemical Product and Preparation Manufacturing

The dropdown menu also shows 'Showing: 5 of 5'. A note at the bottom right of the screenshot states: 'Note: represents a fictional company'.

## A Note on Research

This response spreadsheet is the result of targeted research efforts with businesses across the United States. We are continuing to refine the survey instrument in preparation for our full launch in 2024. If you would like to provide feedback on your experience with completing this survey, please send an email to the following email address, and one of our researchers may be in touch to follow up with you: [emd.aies.help@census.gov](mailto:emd.aies.help@census.gov). This is your opportunity to help shape the future of annual data collections at the Census Bureau, and we look forward to any feedback you wish to offer.
