Generic Clearance for Census Bureau Field Tests and Evaluations

The ICR on this generic package 0607-0971 (Generic Clearance for Census Bureau Field Tests and Evaluations), reference number is 202210-0607-005, titled 2023 Census Test was never conducted.

Since the test was never fielded and it has a large amount of burden hours, we would like to remove these burden hours from the overall usage for this generic package.
