This survey was prepared by the Purdue Center for Regional Development using Federal funds under award ED22HDQ3070082 from the Economic Development Administration, U.S. Department of Commerce. The statements, findings, conclusions, and recommendations are those of the author(s) and do not necessarily reflect the views of the Economic Development Administration or the U.S. Department of Commerce.

. **Coalition Contact Information and Progress**

a. Dear Build Back Better Regional Challenge (BBBRC) Coalition:

When responding to these questions please keep in mind **only your BBBRC region**, **all component projects from your coalition funded via the BBBRC program, and direct impacts from the coalition's work over the past quarter**. As the intent of BBBRC investments is to spur additional coalition progress, answers in the first section (Q1-Q7) may include information about component projects that EDA was unable to fund or about highly complementary activities in the region.

Rural areas refer to or can include those that are outside urban areas. A list of areas that meet Census's 2020 definition of "urban" can be found here (scroll to the bottom).
