Observer Evaluation

The SEFSC Galveston Laboratory will be placing an observer aboard your vessel for observer coverage. In an attempt to monitor the quality of observers we send on commercial vessels, we would appreciate it if once the trip is completed you would take the time to fill out this questionnaire. We wish to ensure that the observers conduct themselves professionally and safely during deployment. Please fill in the information below and return to: NOAA/NMFS, Reef and Shrimp Observer Program, 4700 Avenue U, Galveston, Texas 77551. Your information is important in helping us improve the observer program. If you are the owner and were not present during the trip, please consult with your captain.
