Form Approved OMB NO: 0920-XXXX Exp. Date: xx/xx/xxx

information is estimated to average 30 minutes per response, including the time for reviewing instructions, and maintaining the data needed, and completing and reviewing the collection of information. An agency may not uired to respond to a collection of information unless it displays a currently valid OMB control number. Send or any other aspect of this collection of information, including suggestions for reducing this burden to 1600 Clifton Road, NE, MS D-74, Atlanta, GA 30333; Attn: PRA (0920-XXXX).

Definition

The two-digit state abbreviation (e.g., GA)

The four digit calendar year (e.g., 2019)

The full name of the month (e.g., January)

Three categories: male, female, missing

Eleven categories: 0-10 years, 11-14 years, 15-24 years, 25-34 years, 35-44 years, 45-54 years, 55-64 years, 65-74 years, 75-84 years, 85 years and up, missing

Five categories: American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific Islander, White

Two categories: Hispanic or Latino, not Hispanic or Latino

Exact name of the County within each jurisdiction (e.g., Adams). Please exclude the word "county" after the county name (e.g., do not list "Adams County"). Note that county is county of patient residence.

Five character FIPS code for the County within each jurisdication where the first two digits are the state code and the last three digits are the county code (e.g., 12345). Note that county is county of patient residence.

The number of ED visits for each required month related to an initial encounter of a firearm injury, including the following types: unintentional, intentional self-directed, assault, legal intervention, terrorism, and undetermined intent.

The number of ED visits for each required month related related to an initial encounter of an unintentional firearm injury and should be a subset of overall_FA_visits_n.

The number of ED visits for each required month related to an initial encounter of an intentional self-directed firearm injury, or a self-harm injury from a firearm and should be a subset of overall_FA_visits_n.

The number of ED visits for each required month related to an initial encounter of an assault-related firearm injury and should be a subset of overall_FA_visits_n.

The number of ED visits for each required month related to related to intimate partner violence.

The number of ED visits for each required month related to sexual violence.

The number of ED visits for each required month related to suspected child abuse or neglect categorized as visits related to suspected or confirmed physical, sexual, or emotional abuse; and physical or emotional neglect as perpetrated by parents, caregivers, or an authorized custodian of the child.

The number of ED visits for each required month related to youth violence.

The number of ED visits for each required month related to mental health conditions, including anxiety-related disorders, depression or depressive disorders, bipolar disorder, schizophrenia spectrum disorders, trauma or stress-related disorders, attention deficit hyperactivity disorder, disruptive behavioral and impulse control disorders, obsessive compulsive disorders, eating disorders, or tic disorders.

The number of ED visits for each required month identifying visits among persons experiencing anxiety-related disorders and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing depression or depressive disorders and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing bipolar disorder and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing schizophrenia spectrum disorders and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing trauma or stressrelated disorders and should be a subset of overall MH visits n.

The number of ED visits for each required month identifying visits among persons seeking emergent or ambulatory healthcare for attention deficit hyperactivity disorder and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing disruptive behavior or impulse control disorders and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing obsessive compulsive disorders and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing eating disorders and should be a subset of overall_MH_visits_n.

The number of ED visits for each required month identifying visits among persons experiencing tic disorders and should be a subset of overall_MH_visits_n.

The total number of ED visits for each required month that were included in the analysis.

Describe and provide metadata on this rapid report of ED visits involving firearm injuries, other violence-related injuries, and mental health conditions.
1. Approximately what percent of ED visits in your state or jurisdiction were included in your analysis? (Enter a percentage such as "75%")
1. Approximately what percent of ED visits in your state of jurisdiction were included in your analysis: (Enter a percentage such as 75%)
2. Over 90% of ED visits were reported in NSSP ESSENCE within (Check appropriate response):
< 24 hours
> 3 months Unknown
3. How many total facilities are included in your analysis for this data submission? (Enter a number such as "22")
5. Now many total racinites are included in your analysis for this data submission. (Lince a number such as 22)
4. Report the percent of all ED visits in this data submission missing chief complaint data. (Enter a percentage such as "10%")
5. Report the median string length of text from chief complaint data. (Enter a number such as "5 words")
4. Depart the account of all FD visite is this date submission that have no discharge discretized as (s.e. ICD 40 CM) /Fatous accounts as all 450/H)
6. Report the percent of all ED visits in this data submission that have no discharge diagnosis codes (e.g., ICD-10-CM). (Enter a percentage such as "15%")
7. What was the maximum number of discharge diagnosis codes (e.g., ICD-10-CM) entered for a single ED visit in this data submission? (Enter a number such "10")
8. What was the mean number of diagnosis codes (e.g., ICD-10-CM) that were entered for all ED visits in this data submissions? (Enter a number such as "8")
9. Report the percent of all ED visits in this data submission missing race data. (Enter a percentage such as "15%")
10. Report the percent of all ED visits in this data submission missing ethnicity data. (Enter a percentage such as "15%")
11. Please identify any major issues that impact the quality of data shared during this data submission time period:
12. Who should CDC contact with questions about this data report?
