Collection and Use of Personal Information

Section 1860 D-14 of the Social Security Act, as amended, allows us to collect your information or the information you are submitting on behalf of another, which we will use to determine your eligibility for help paying your share of the cost of a Medicare Prescription Drug Plan.

Providing the information is voluntary, but not providing all or part of the information may prevent us from assisting you with the request. As law permits, we may use and share the information you submit, including with other Federal, State, and local agencies, contractors, and others as outlined in the routine uses within System of Records Notice (SORN) 60-0321, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs to establish or verify eligibility for Federal benefit programs and to recoup debts under these programs.
