Culture of Continuous Learning Landscape Study: Head Start Education Manager Survey

This survey is intended to gather information regarding the ways in which states, territories, and Head Start regions design, implement, and evaluate their early care and education (ECE) quality improvement delivery systems. For the purpose of this survey, please consider the term “quality improvement” to include a variety of activities like training or professional development, technical assistance, coaching and consultation, and other quality improvement activities. We realize these systems can look different across states, territories, and Head Start regions; we are reaching out to you to help fill in our understanding of the landscape of quality improvement delivery systems across the U.S. Thank you for sharing information on this topic!

This one-time, online survey should take no more than 20 minutes to complete. You can skip any question and you can stop the survey at any time. There are no right or wrong answers to any of our questions. Your name and contact information will not be shared outside our project team, and they will not be identified in any reports of study findings. Your responses will not be shared with your employer or have any impact on your employment status. Your answers will be combined with information from others who complete the survey. As a thank you for completing the survey, you will receive a **\$20 gift card**.

There is no direct benefit to you for completing this survey. We hope that the information you provide will benefit the early child care and education field.

If you would like a copy of this information or have questions, please email our IRB at irbparticipant@childtrends.org or by phone at 1-855-288-3506.

The Paperwork Reduction Act Statement: This collection of information is voluntary and will be used to help fill in our understanding of the landscape of quality improvement delivery systems across the U.S. Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number and expiration date for this collection are OMB #: 0970-0356, Exp: 02/29/2024. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Kathryn Tout, ktout@childtrends.org or Child Trends, 708 N 1st Suite #333, Minneapolis, MN 55401 Attention: Kathryn Tout.
