§ 3000.7 Multiple development.

The granting of a permit or lease for the prospecting, development or production of deposits of any one mineral shall not preclude the issuance of other permits or leases for the same lands for deposits of other minerals with suitable stipulations for simultaneous operation, nor the allowance of applicable entries, locations or selections of leased lands with a reservation of the mineral deposits to the United States.

§ 3000.8 Management of Federal minerals from reserved mineral estates.

Such mineral estates include, but are not limited to, those that have been or will be reserved under the authorities of the Small Tract Act of June 1, 1938, as amended (43 U.S.C. 682(b)) and the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.).

§ 3000.10 What do I need to know about fees in general?

- (a) **Setting fees.** Fees may be statutorily set fees, relatively nominal filing fees, or processing fees intended to reimburse BLM for its reasonable processing costs. For processing fees, BLM takes into account the factors in Section 304 (b) of the Federal Land Policy and Management Act of 1976 (FLPMA) (43 U.S.C. 1734(b)) before deciding a fee. BLM considers the factors for each type of document when the processing fee is a fixed fee and for each individual document when the fee is decided on a case-by-case basis, as explained in § 3000.11.
- (b) **Conditions for filing.** BLM will not accept a document that you submit without the proper filing or processing fee amounts except for documents where BLM sets the fee on a case-by-case basis. Fees are not refundable except as provided for case-by-case fees in § 3000.11. BLM will keep your fixed filing or processing fee as a service charge even if we do not approve your application or you withdraw it completely or partially.
- (c) **Periodic adjustment.** We will periodically adjust fees established in this subchapter according to change in the Implicit Price Deflator for Gross Domestic Product, which is published quarterly by the U.S. Department of Commerce. Because the fee recalculations are simply based on a mathematical formula, we will change the fees in final rules without opportunity for notice and comment.
- (d) **Timing of fee applicability.**
 - (1) For a document BLM receives before November 7, 2005, we will not charge a fixed fee or a case-by-case fee under this subchapter for processing that document, except for fees applicable under then-existing regulations.
 - (2) For a document BLM receives on or after November 7, 2005, you must include required fixed fees with documents you file, as provided in § 3000.12(a) of this chapter, and you are subject to case-by-case processing fees as provided in § 3000.11 of this chapter and under other provisions of this chapter.

[70 FR 58872, Oct. 7, 2005, as amended at 72 FR 50886, Sept. 5, 2007]

§ 3000.11 When and how does BLM charge me processing fees on a case-by-case basis?

- (a) Fees in this subchapter are designated either as case-by-case fees or as fixed fees. The fixed fees are established in this subchapter for specified types of documents. However, if BLM decides at any time that a particular document designated for a fixed fee will have a unique processing cost, such as the preparation of an Environmental Impact Statement, we may set the fee under the case-by-case procedures in this section.
- (b) For case-by-case fees, BLM measures the ongoing processing cost for each individual document and considers the factors in Section 304(b) of FLPMA on a case-by-case basis according to the following procedures:

- (1) You may ask BLM's approval to do all or part of any study or other activity according to standards BLM specifies, thereby reducing BLM's costs for processing your document.
- (2) Before performing any case processing, we will give you a written estimate of the proposed fee for reasonable processing costs after we consider the FLPMA Section 304(b) factors.
- (3) You may comment on the proposed fee.
- (4) We will then give you the final estimate of the processing fee amount after considering your comments and any BLM-approved work you will do.
 - (i) If we encounter higher or lower processing costs than anticipated, we will re-estimate our reasonable processing costs following the procedure in paragraphs (b)(1), (b)(2), (b)(3) and (b)(4) of this section, but we will not stop ongoing processing unless you do not pay in accordance with paragraph (b)(5) of this section.
 - (ii) If the fee you would pay under this paragraph (b)(4) is less than BLM's actual costs as a result of consideration of the FLPMA Section 304(b) factors, and we are not able to process your document promptly because of the unavailability of funding or other resources, you will have the option to pay BLM's actual costs to process your document. This will enable BLM to process your document sooner.
 - (iii) Once processing is complete, we will refund to you any money that we did not spend on processing costs.
- (5)
 - (i) We will periodically estimate what our reasonable processing costs will be for a specific period and will bill you for that period. Payment is due to BLM 30 days after you receive your bill. BLM will stop processing your document if you do not pay the bill by the date payment is due.
 - (ii) If a periodic payment turns out to be more or less than BLM's reasonable processing costs for the period, we will adjust the next billing accordingly or make a refund. Do not deduct any amount from a payment without our prior written approval.
- (6) You must pay the entire fee before we will issue the final document.
- (7) You may appeal BLM's estimated processing costs in accordance with the regulations in part 4, subpart E, of this title. You may also appeal any determination BLM makes under paragraph (a) of this section that a document designated for a fixed fee will be processed as a case-by-case fee. We will not process the document further until the appeal is resolved, in accordance with paragraph (b)(5)(i) of this section, unless you pay the fee under protest while the appeal is pending. If the appeal results in a decision changing the proposed fee, we will adjust the fee in accordance with paragraph (b)(5)(ii) of this section.

[70 FR 58872, Oct. 7, 2005]

§ 3000.12 What is the fee schedule for fixed fees?

- (a) The table in this section shows the fixed fees that must be paid to the BLM for the services listed for Fiscal Year (FY) 2024. These fees are nonrefundable and must be included with documents filed under this chapter. Fees will be adjusted annually according to the change in the Implicit Price Deflator for Gross Domestic Product (IPD-GDP) and the change in the Consumer Price Index for all goods and all urban

consumers (CPI-U) by way of publication of a final rule in the FEDERAL REGISTER and will subsequently be posted on the BLM website (<https://www.blm.gov>) before October 1 each year. Revised fees are effective each year on October 1.
