

Acknowledgment of Deactivation/Removal

Instructions: The ATF special agent (*SA*) or ATF task force officer (*TFO*) serving as the primary handler for a confidential informant (*CI*) must ensure completion of this form when deactivating a CI or removing a CI for cause. Accompanied by at least one other law enforcement officer (*LEO*), the primary handler must meet with the CI to clearly convey that he/she is no longer an active CI and to obtain the CI's current contact information. This form must be attached to the Deactivation Request and Removal for Cause Request. A decision may be made to delay notifying the CI of his/her deactivation or removal for cause when notification may jeopardize an ongoing investigation or prosecution. The decision to delay notification, and the reason(s) supporting it, must be documented during the deactivation or removal for cause process and maintained in the CI's record.
