**PAPERWORK REDUCTION ACT**

Public reporting burden for this voluntary collection of information is estimated to average 7 minutes per response, including time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information. OSHA will use this information to evaluate participation in the National Heat Contest. Persons are not required to respond to the collection of information unless it displays a current valid OMB control number. If you have any comments about this estimate or any other aspects of this data collection, including suggestions for reducing this burden, please send them to OSHAPRA@dol.gov or to US Department of Labor, OSHA Directorate of Standards and Guidance N-3609, 200 Constitution Avenue, NW, Washington, DC 20210.

**Who is your intended target audience:** [text field for user entry]

**How would your target audience find or access your product(s)?** [text field for user entry]
