Any amount appropriated for these programs during any fiscal year in excess of \$9,000,000 shall be made available to each of the eligible institutions pursuant to the MD-HBCU formula comprised of five elements listed in section 723(f)(3) of the HEA. They are:

2. The number of students enrolled in the qualified master's degree program at the eligible institution in the previous academic year;
3. The average cost of attendance per student, for all full-time students enrolled in the qualified master's degree program at the institution;
4. The number of students in the previous year who received a degree in the qualified master's degree program at each institution; and
5. The contribution, on a percent basis, of the programs for which the institution is eligible to receive funds under this program to the total number of African Americans receiving master's degrees in the disciplines related to the programs for the previous year.

Section 723 also states, "each eligible institution will receive a grant of no less than \$500,000 for any fiscal year, unless the amount appropriated is not sufficient to pay the minimum grant awards to all eligible institutions; in this event, the amount paid to each eligible institution will be ratably reduced."

Under Section 723(2), Assurance of non-federal matching funds, no grant in excess of \$1,000,000 may be made under this section unless the institution provides assurances that 50 percent of the cost of the purposes for which the grant is made will be paid from non-Federal sources, except that no institution shall be required to match any portion of the first \$1,000,000 of the institution's award from the Secretary.

In accordance with Section 723 of the HEA, **no MD-HBCU institution that is eligible for and receives a grant under Section 326 (Historically Black Graduate Institutions Program), Section 512 (Promoting Postbaccalaureate Opportunities for Hispanic Americans Program) or Section 724 (Predominantly Black Institutions Graduate Program) for a fiscal year shall be eligible to apply for or receive funds under this program for that same fiscal year.**

Institutions eligible for the MD-HBCU grants are listed in the statute and include: Albany State University; Alcorn State University; Claflin University; Coppin State University; Elizabeth City State University; Fayetteville State University; Fisk University; Fort Valley State University; Grambling State University; Kentucky State University; Mississippi Valley State University; Savannah State University; South Carolina State University; University of Arkansas, Pine Bluff; Virginia State University; West Virginia State University; Wilberforce University; and Winston-Salem State University.

INTERGOVERNMENTAL REVIEW OF FEDERAL PROGRAMS EXECUTIVE ORDER 12372

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state. Further information about the State Single Point of Contact process and a list of names by State can be found at:

<https://www.whitehouse.gov/wp-content/uploads/2020/04/SPOC-4-13-20.pdf>.

For State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# 84.382G, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30:00 p.m. (Eastern Standard Time) on the closing date indicated in this notice.

Important note: The above address is not the same address as the one to which the applicant submits its completed applications. Do not send applications to the above address.

GENERAL EDUCATION PROVISIONS ACT (GEPA) SECTION 427

NOTICE FOR ALL APPLICANTS: EQUITY FOR STUDENTS, EDUCATORS, AND OTHER PROGRAM BENEFICIARIES (OMB Control Number 1894-0005)

Form Overview:

The U.S. Department of Education (Department) has updated its standard form, NOTICE TO ALL APPLICANTS: EQUITY FOR STUDENTS, EDUCATORS, AND OTHER PROGRAM BENEFICIARIES, used by applicants seeking Federal assistance under the Department's grant programs to address the General Education Provisions Act (GEPA) Section 427 ([20 U.S.C. 1228a](#)) requirements effective April 3, 2023.

GEPA Section 427 requires that applicants, based on the design of their proposed grant project, the participants, and community the project proposes to serve, and local circumstances, determine the extent to which identified barriers prevent equitable access to or participation in their federal grant projects.

The updated GEPA Section 427 form is electronically integrated into the Grants.gov system, and applicants are generally no longer required to upload a separate PDF document but will electronically complete and submit the form with the application package in Grants.gov.

Form Instructions:

- Applicants may identify any barriers that may impede equitable access and participation in the proposed project or activity, including, but not limited to, barriers based on economic disadvantage, gender, race, ethnicity, color, national origin, disability, age, language, migrant status, rural status, homeless status or housing insecurity, pregnancy, parenting, or caregiving status, and sexual orientation.
- Applicants are not required to have mission statements or policies that align with equity in order to submit an application.
- Applicants may have already included some or all this required information in the narrative sections of their applications or their State Plans. In responding to this requirement, for each question, applicants may provide a cross-reference to the section(s) and page number(s) in their applications or State Plans that includes the information responsive to that question on this form or may restate that information on this form.
- Applicants must respond to each question using the associated text box. Each text box allows approximately 4000 characters; therefore, if copying and pasting into the text box from another document be sure to check that everything copied.
- Applicants should use the "check for errors" button before they save the form. Applicants will receive an error message if any response is missing and will not be able to submit the application due to the missing information.

- Applicants that have already undertaken steps to address barriers must still provide an explanation and/or description of the steps already taken in each text box, as appropriate, to satisfy the GEPA Section 427 requirement.
- Applicants that believe no barriers exist must still provide an explanation and/or description to each question to validate that perception, as appropriate, to satisfy the GEPA Section 427 requirement.

Form Training:

Applicants may learn more about GEPA Section 427 and the form updates by participating in a 30-minute computer-based training titled, *Ensuring Equitable Opportunities Under the GEPA Section 427*, at

G5 e-Application will not accept your application if you try to submit it after 11:59:00 p.m. (Eastern Time) on the deadline date.]

Step 7 – Printing Your Completed Application. You have the option to print each form at any time by clicking on the “View Form” button after selecting the appropriate form to

print. After submission of your application, you have the option to print a complete e-Application package in PDF. From the Application Packages tab, you will notice that your application status has changed from Draft to Submitted. To locate the PDF of your application, select the package radio button and click the “Modify Application” button. Then select the “Click Here to view the PDF Package” in the upper right-hand corner of the page under the Package Information section.

Step 8 – SF 424 Cover Page (or Program Specific Cover Page) must be signed and uploaded in G5. Write your unique application number (received in step 8) on the upper right corner of your printed SF 424 Cover Page (or Program Specific Cover Page) and upload it as an attachment to the Application in G5.

NOTE: For more detailed information on submitting an e-Application, please see the **User Guide**. The Online Training can be found under the main menu at <http://www.G5.gov>.

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

1. Ensure that you only attach the Education approved file type detailed in the Federal Register application notice (read-only, non-modifiable .PDF files only). Also, do not upload any password protected files to your application.
2. When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend you keep your file names to less than 50 characters.
3. **PLEASE DO NOT USE SPECIAL/NON-ENGLISH CHARACTERS IN ANY FORM OR DOCUMENT (for example, %, *, /, etc.). Foreign characters or symbols includes words spelled with a non- English alphabet, such as “Boğaziçi” or “Nizām al-Dīn Gīlānī” or any word with an accent mark.** Both of these conditions (lengthy file names and/or special characters including in the file names) could result in difficulties opening and processing a submitted application.
4. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. Please note that each file attachment in e-Application has a file size limitation which is anywhere from 2 to 8 MB and the limitation will be indicated on the individual screen when you upload a file. For reference, however, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the size of your attachments before uploading them into e-Application.

We strongly recommend that you do not wait until the last day to submit your application. The time it takes to upload the narratives for your application will vary depending on a number of factors including the size of the files and the speed of your Internet connection. If you try to submit your application after 11:59:00 p.m. (Eastern Standard Time) on the deadline date, the G5 e-Application system will not accept it.

APPLICATION TRANSMITTAL INSTRUCTIONS

Application Submission Instructions: Applicants are required to follow the Common Instructions for Applicants to Department of Education Discretionary Grant Programs (Common Instructions), published in the *Federal Register* on December 7, 2022 (87 FR 75045). The Common Instructions contain requirements and information on how to submit an application. These instructions may be found at:

www.federalregister.gov/d/2022-26554.

It is important to note that the Department of Education requires the electronic submission of applications and only allows paper submission by mail if electronic submission is not possible (e.g., you do not have access to the internet). Applicants requesting and qualifying for an exception to the electronic submission requirement must follow the guidance provided in the [Common Instructions](#).

If you want to apply for a grant and be considered for funding, you must meet the following deadline requirements:

Electronic Submission of Applications:

You must submit your grant application through the Internet using the software provided on the Department of Education's G5 System using the G5 Website (www.g5.gov) by 11:59:00 p.m., Eastern Time, on or before the deadline date.

If you submit your application through the Internet via the G5.gov website, you will receive an automatic acknowledgement and PR Award Number when you submit your application successfully.

Submission of Paper Applications by Mail:

If you qualify for an exemption to the electronic submission requirement and you submit your application in paper format by mail (through the U.S. Postal Service or a commercial carrier), you must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

**U.S. Department of Education
OFO/G5 Functional Application Team
Mail Stop 5C231
Attention: Assistance Listing Number 84.382G
400 Maryland Avenue SW
Washington, DC 20202-4260**

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark
- (2) A mail receipt that is not dated by the U.S. Postal Service

An applicant should note that the U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an applicant should check with its local post office.

Special Note: Due to potential disruption to normal mail delivery, the Department encourages you to consider using an alternative delivery method (for example, a commercial carrier, such as Federal Express or United Parcel Service; U.S. Postal Service Express Mail; or a courier service) to transmit your application for this competition to the Department.

Note for Mailing of Paper Applications:

If you mail your application to the Department—

1. You must indicate on the envelope and, if not provided by the Department, in Item 11 of the SF 424, the ALN, including suffix letter, if any, of the competition under which you are submitting your application; and
2. The G5 Functional Application Team will notify you of the Department's receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should contact the program contact listed in this application package.
