2023–24 NATIONAL POSTSECONDARY STUDENT AID STUDY (NPSAS:24) FULL-SCALE STUDY

Student Data Collection and Student Records

Appendix F

Student Records Instrument

OMB # 1850-0666 v. 36

This appendix provides the 2023–24 National Postsecondary Student Aid Study (NPSAS:24) student records data collection instrument. The NPSAS:24 instrument remains largely unchanged from the instrument approved for NPSAS:24 field test data collection [OMB# 1850-0666 v. 34]. The changes noted below were developed based on the results NPSAS:24 field test data collection and input from the NPSAS:24 Technical Review Panel. Changes are intended to improve data quality while also reducing respondent burden.

Table 1 lists all instrument items in this appendix and indicates any changes to the content of the instrument when compared to the instrument approved for NPSAS:24 field test, which is the student records instrument most recently in data collection. The table includes color coding to indicate whether items have remained the same (black), were revised (purple), removed (red), or added (green) when compared to the NPSAS:24 field test instrument. Items that refer to a specific date range have been updated with the appropriate dates for NPSAS:24 full scale collection (e.g., all references to the academic year have been updated to apply to the 2023-2024 academic year, which is the focus of NPSAS:24); these updates to the date references are not marked as changes.

Institution Aid Program Type 2

Need-based aid is awarded based on an applicant's financial resources. Merit-based aid is awarded based on an applicant's academic achievement. Merit aid that was awarded without consideration of financial resources should be considered merit aid. However, if any part of the awarding criteria includes a student's financial resources, the aid is considered either "need-based" or "both need and merit-based." Aid based on neither need nor merit may include an applicant's non-academic talents, demographic, or other characteristics as the awarding criteria.

For help categorizing aid awards, see the Financial Aid Type Cheat Sheet on the Resources page of the PDP, or contact the Help Desk.

SUBSECTION: PRIVATE AID OR OTHER GOVERNMENT AID

[FOR TERM-BASED INSTITUTIONS: For each private or other federal government aid award received by the student, report the total whole dollar amount disbursed for [term1, term2, term3,...]. These are the terms your institution reported for the 2023-2024 academic year on the NPSAS:24 Registration Page. If you have questions about these terms, please contact the Help Desk.

Report the total amount disbursed for these terms combined, not separate amounts for each term. If the student has aid for this period that has not yet been disbursed, include the whole dollar amount that you expect to be disbursed. For example, if you need to report aid for the Summer 2024 term but the aid has not yet been disbursed, include the amount awarded that you expect to be disbursed.]

[FOR CONTINUOUS ENROLLMENT INSTITUTIONS: For each private or other federal government aid award received by the student, report the total whole dollar amount disbursed for the 2023-2024 financial aid year (July 1, 2023 to June 30, 2024). If the student has aid for this period that has not yet been disbursed, include the whole dollar amount awarded that you expect to be disbursed.]

For additional guidance and examples, please see the Student Records Handbook, which is available on the Resources page of the PDP.

You may report up to 3 private or other federal government awards per student in this section. If the student was awarded more than three private or other federal government aid awards, you can report the award in "Other Aid" at the end of this section. Any non-federal government aid (such as awards from municipal governments or state aid not already reported in the State Aid section) should be reported in the Other Aid section.
