

INSTRUCTIONS FOR COMPLETING DECISION REVIEW REQUEST: HIGHER-LEVEL REVIEW

IMPORTANT: Please read the instructions carefully to help you complete this form. Some parts of this form contain notes or specific instructions for completing that section. Filling out this form completely and accurately will decrease the amount of time it takes to process your Higher-Level Review request.

USE THIS FORM TO REQUEST A HIGHER-LEVEL REVIEW OF A DECISION YOU RECEIVED. A Higher-Level Review is a new review of an issue(s) previously decided by the Department of Veterans Affairs (VA) based on the evidence of record at the time VA issued notice of the prior decision. This form must be received by VA **WITHIN ONE YEAR OF THE DATE VA PROVIDED NOTICE OF OUR DECISION.**

What to know about the Higher-Level Review:

- The Higher-Level Reviewer **will not consider any evidence received after the notification date of the prior decision.**
- A Higher-Level Review may not be requested for the review of a Higher-Level Review decision or a Board of Veterans' Appeals decision.
- For additional information on the Higher-Level Review process or a list of review options that allow VA to consider new evidence and how to file, visit www.va.gov/decision-reviews/.

You may contact your accredited representative (attorney, claims agent or Veterans Service Organization (VSO)) to assist you. If you have not already selected a representative or if you want to change your representative, a searchable database of VA-recognized VSOs, VSO representatives, VA-accredited attorneys and claims agents is available at www.va.gov/ogc/apps/accreditation/index.asp. You can also ask VA to help you by contacting us at 1-800-827-1000.

Submit your request for Higher-Level Review to the local VA office or processing center identified on your decision notification letter. It is important to keep a copy of all completed forms and materials you give to VA. You can find mailing address information at www.va.gov/decision-reviews/higher-level-review/.

You may request to have your Higher-Level Review conducted at either the same or a different office within the agency of original jurisdiction that decided your issue(s). Please note that decisions on certain types of issues are processed at only a single VA office or facility and therefore can only be reviewed at a specific office.

For information on Veterans Health Administration (VHA) health care services, visit www.va.gov/health-care/about-va-health-benefits. To learn more about VHA health care services available related to military sexual trauma (MST), you can contact a VHA MST Coordinator. A list is available at www.mentalhealth.va.gov/msthome/vha-mst-coordinators.asp or you can contact your local VA medical facility and ask to speak to a MST Coordinator.

SPECIFIC INSTRUCTIONS FOR DECISION REVIEW REQUEST: HIGHER-LEVEL REVIEW

Section I - Veteran's Identification Information

Provide all available information to identify the veteran in Section I. VA must have enough information to be able to identify the veteran. VA may return the form if the form is incomplete.

If you are experiencing homelessness, or are at risk of experiencing homelessness, mark the check box at the bottom of Item 6. If you wish to request priority processing for other reasons, you may file [VA Form 20-10207, Priority Processing Request](#), with this form.

Section II - Claimant's Identification Information (If other than veteran)

If the claimant is different than the veteran, fill out the information in Section II. Without this information, we will be unable to identify the claimant.

If you are a healthcare provider (or an agent or employee of a healthcare provider) requesting review of a VA payment decision, you must indicate the healthcare provider as the claimant and complete all relevant information in the claimant identification section.

SPECIFIC INSTRUCTIONS FOR DECISION REVIEW REQUEST: HIGHER-LEVEL REVIEW (*Continued*)

Section III - Benefit Type

This form may only be submitted for review of an issue(s) related to **one benefit type**: Compensation, Pension/DIC/ Survivors Benefits, Fiduciary, Life Insurance, Education, Loan Guaranty, Veteran Readiness and Employment, Veterans Health Administration, or National Cemetery Administration. If you would like to file for multiple benefit types (e.g., Compensation and Life Insurance), you must complete a separate Higher-Level Review request form for each benefit type. If your disagreement is with a decision by the Veterans Health Administration, even if you are seeking reimbursement for medical expenses or non-VA emergency care, you must select Veterans Health Administration in Item 15.

Section IV - Optional Informal Conference

You or your appointed representative may request an informal conference to identify errors of fact or law in the decision under review with the Higher-Level Reviewer assigned to complete the review of your issue(s) by marking the check box in Item 16A. Evidence that was not of record at the time VA issued notice of the decision will not be considered. Requesting an informal conference may delay issuance of a Higher-Level Review decision.

To avoid potential delays, you may submit a written statement instead of requesting an informal conference. This statement should include your argument highlighting VA's potential misreading of facts, or its potential misapplication of law to the facts that the evidentiary record has already established.

VA will make two attempts to contact you or your representative to schedule your informal conference. If you would like VA to contact your representative instead of you, you must include the representative's name and contact information in Items 17A and 17B. In order for VA to speak to your representative on your behalf, a valid [VA Form 21-22a, Appointment of Individual as Claimant's Representative](#) or [VA Form 21-22, Appointment of Veterans Service Organization as Claimant's Representative](#) must be of record or included with this application. If VA is unable to reach you or your representative after two attempts, the Higher-Level Reviewer will move forward with completing your Higher-Level Review request and issue a decision.

Section V - Issues for Higher-Level Review

In Item 18A, you should identify each issue decided by VA which you would like included in your Higher-Level Review. Please refer to your VA decision notification letter(s) for issues previously decided by VA.

In Item 18B, you should enter the date of VA's decision for each issue. Only the issue(s) you list on this form will be addressed during the Higher-Level Review.

To opt into the modernized review system from the legacy appeals system, you must submit this form within 60 days from the date of the Statement of the Case or Supplemental Statement of the Case and list the issue(s) which you are seeking review in Item 18A. The issues listed in 18A will be withdrawn from the legacy appeals system and addressed in the modernized review system as a Higher-Level Review. **You cannot return to the legacy system for any issue(s) you withdraw.**

Section VI - Certification and Signature

Please be sure to sign your request for Higher-Level Review. It is recommended that you do not sign in pencil, as forms signed in pencil may be returned. For alternate signer certification, please include [VA Form 21-0972, Alternate Signer Certification](#).

Section VII - Authorized Representative Signature

A VA authorized representative may sign this section in lieu of the veteran or claimant signature in section VII, as long as a valid VA Form 21-22 or VA Form 21-22a is of record or included with this application.
