SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget (“OMB”) for each collection of information they conduct or sponsor. “Collection of Information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Title: Part 40, Provisions Common to Registered Entities (OMB Control No. 3038-0093). This is a request for extension of a currently approved information collection.

Abstract: This collection of information involves the collection and submission to the Commission of information from registered entities concerning new products, rules, and rule amendments pursuant to the procedures outlined in §§ 40.2, 40.3, 40.5, 40.6, and 40.10 found in 17 CFR part 40. Part 40 of the Commission’s regulations implements section 5c(c) of the CEA and sets forth provisions that are common to registered entities, including designated contract markets (“DCMs”), derivatives clearing organizations (“DCOs”), swap execution facilities (“SEFs”) and swap data repositories (“SDRs”). Part 40 establishes requirements and procedures for registered entities to submit information about their rules and products to the Commission prior to implementing rules, listing products for trading, or accepting products for clearing. Part 40 generally provides two means for registered entities to submit rules and products to the Commission. Typically, a registered entity elects to certify that their product (§ 40.2) or rule (§ 40.6) complies with the CEA and the Commission regulations. This process is known as self-certification. Alternatively, a registered entity may seek Commission approval of the

product (§ 40.3) or rule (§ 40.5).¹ The regulations also include special certification provisions (§ 40.10) for certain rules submitted by systemically important DCOs (“SIDCOs”).

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
 - Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
 - Ways to minimize the burden of collection of information on those who use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <https://www.cftc.gov>. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission’s regulations.²

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the Information Collection Request will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the Freedom of Information Act.

Burden Statement: OMB Control Number 3038-0093 reflects the

¹ Commission regulations may expressly or impliedly trigger the requirement for a registered entity to make a submission pursuant to part 40. For example, the Commission’s part 150 regulation on position limits contains an express requirement to make a § 40.5 rule filing in certain circumstances. See 17 CFR 150.9(a).

information collection burden under Commission regulations associated with product filings (§§ 40.2 and 40.3); rule filings (§§ 40.5 and 40.6); and SIDCO filings (§ 40.10). As part of this renewal, the Commission has updated its burden estimates to reflect current filing volumes and burden hours.

Provisions Common to Regulated Entities IC

The Commission estimates the average burden of the Provisions Common to Regulated Entities IC as follows:

- **Product Submissions (§ 40.2 and 40.3)**
Estimated Number of Respondents: 70.³
Annual Responses by each Respondent: 12.⁴
Estimated Hours per Response: 21.⁵
Estimated Total Hours per Year: 17,640.
- **Rule Submissions (§§ 40.5 and 40.6)**
Estimated Number of Respondents: 70.⁶
Annual Responses by each Respondent: 20.⁷
Estimated Hours per Response: 2.
Estimated Total Hours per Year: 2,800.
- **SIDCO Submissions (§ 40.10)**
Estimated Number of Respondents: 2.
Annual Responses by each Respondent: 1.⁸

³ The estimated number of 70 respondents includes 16 active DCMs, 23 registered SEFs, 15 registered DCOs, 5 provisionally registered SDRs, plus pending applications for those entities.

⁴ The 3-year average of total responses for §§ 40.2 and 40.3 submissions combined was 848 responses, calculated by taking the annual total submissions received under §§ 40.2 and 40.3 combined from all entities and averaging them for the years of 2020, 2021 and 2022. The estimated number of reports per respondent is calculated as 848 responses divided by 70 respondents (848 responses/70 respondents = 12 responses per respondent).

⁵ The 21-hour estimate for product submissions reflects industry comments received in 2018. See 83 FR 43855, 43856 (Aug. 28, 2018); Supporting Statement at https://www.reginfo.gov/public/do/PRAViewDocument?ref_nbr=201808-3038-003.

⁶ See *supra* n.3.

⁷ The 3-year average of total responses for §§ 40.5 and 40.6 submissions combined was 1,412 responses, calculated by taking the annual total submissions received under §§ 40.5 and 40.6 combined from all entities and averaging them for the years of 2020, 2021 and 2022. The estimated number of reports per respondent is calculated as 1,412 responses divided by 70 respondents (1,412 responses/70 respondents = 20 responses per respondent).

⁸ The 3-year average of total responses for § 40.10 submissions was 2, calculated by taking the annual total submissions received under § 40.10 from all SIDCOs and averaging them for the years of 2020, 2021 and 2022. The average number of reports per respondent is 1, calculated as 2 responses divided by 2 respondents (2 responses/2 respondents = 1 response per respondent).

Estimated Hours per Response: 50.
Estimated Total Hours per Year: 100.

There are no capital costs or operating and maintenance costs associated with this collection.

BUREAU OF CONSUMER FINANCIAL PROTECTION

[Docket No: CFPB–2023–0049]

Privacy Act of 1974; System of Records

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Rescinding of a system of records notice.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, Consumer Financial Protection Bureau (CFPB) provides notice that it is rescinding CFPB.007 CFPB Directory Database from its inventory of record systems. The system of records provided the CFPB with a single, agency-wide repository of identifying and registration information concerning entities offering or providing, or materially assisting in the offering or provision of, consumer financial products or services. The CFPB is rescinding this system of records notice because this system is not currently maintained by CFPB, thereby making the system of records notice unnecessary.

DATES: Comments must be received no later than November 2, 2023. The modified system of records will be effective November 13, 2023 unless the comments received result in a contrary determination.

ADDRESSES: You may submit comments, identified by the title and docket number (see above Docket No. CFPB–2023–0049), by any of the following methods:

- *Federal eRulemaking Portal:* <https://www.regulations.gov>. Follow the instructions for submitting comments.
- *Email:* privacy@cfpb.gov. Include Docket No. CFPB–2023–0049 in the subject line of the email.

- *Mail/Hand Delivery/Courier:* Kathryn Fong, Chief Privacy Officer, Consumer Financial Protection Bureau, 1700 G Street NW, Washington, DC 20552. Because paper mail in the Washington, DC area and at CFPB is subject to delay, commenters are

encouraged to submit comments electronically.

All submissions must include the agency name and docket number for this notice. In general, all comments received will be posted without change to <https://www.regulations.gov>. All comments, including attachments and other supporting materials, will become part of the public record and subject to public disclosure. You should submit only information that you wish to make available publicly. Sensitive personal information, such as account numbers or Social Security numbers, should not be included.

FOR FURTHER INFORMATION CONTACT:

Kathryn Fong, Chief Privacy Officer, (202) 435–7058. If you require this document in an alternative electronic format, please contact CFPB_Accessibility@cfpb.gov.

SUPPLEMENTARY INFORMATION: The CFPB replaced the Directory Database with a central repository of entity business information that does not maintain individual-level information. Directory Database is therefore currently obsolete, no longer maintained by CFPB, and no longer meets the definition of a system of records under the Privacy Act. Accordingly, the CFPB reasonably believes that rescinding this System of Records Notice will have little effect on individuals' privacy. Rescinding of this System of Records Notice will also promote the overall streamlining and management of Privacy Act record systems for the CFPB.
