

Schools and Libraries Cybersecurity Pilot Program

Description of Services Requested and Certification FCC Form 471 (using FCC Form 471 and ECF FCC Form 471 information collection requirements approved pursuant to OMB Control Nos. 3060-0806 and 3060-1286)

(Note: This is a representative description of the information to be collected via the online portal and is not intended to be a visual representation of what each applicant will see. Where possible, information already pre-filed in the system portal can be carried forward and auto-populated into the form. Also, where the system has the input to automatically generate calculations and other information for the form, it will provide that information).

Item Number	Section	Field Description	Purpose/Instructions
1	Basic Information	Applicant's Form Nickname	To create a unique identifier for this submission, the applicant simply enters a nickname (e.g., 2016 FY ABC School Form 471).
2	Basic Information	FCC Form 471 Application Number	Auto-generated by the system: This is an Administrator-assigned unique identifier for this submission.
3	Basic Information	Applicant Name	This is the name of the organization submitting this form—school, school district, library (outlet/branch or system) or a consortium of those entities (schools, libraries, or schools and libraries). If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
4	Basic Information	Pilot Funding Year	Auto-generated by the system based on the applicable funding year of the Schools and Libraries Cybersecurity Pilot Program: This is the Pilot Funding Year for which equipment and services are sought.
5	Basic Information	Entity Number	Auto-generated by the system: This is the Unique identifier assigned by the Administrator to the organization listed in Applicant Name.
6	Basic Information	FCC Registration Number	This is the unique FCC identifier for the organization listed as the applicant. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
7	Basic Information	Unique Entity Identifier (UEI) Number	This is a unique identifier for the organization listed as the applicant. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.

Item Number	Section	Field Description	Purpose/Instructions
8	Basic Information	Mailing Address	This is the mailing address for the applicant. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
9	Basic Information	Telephone Number	This is the main telephone line for the applicant which may/may not be the same as the telephone number for the person who should be contacted with questions about this application. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
10	Basic Information	Type of Applicant	Options are: school, school district, library/library system, consortium, or statewide consortium. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
11	Basic Information	Applicant Attributes	Attributes for a School or School District include: Public, Private, Charter and Educational State Agency (ESA). Attributes for a Library System include: Public and Private. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
12	Basic Information	Contact Person's Name	Provide the name of the person who should be contacted with questions about this application. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
13	Basic Information	E-mail Address	E-mail Address of the Contact Person. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
14	Basic Information	Contact Person's Telephone Number	Telephone Number of the Contact Person. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
15	Basic Information	Holiday/vacation/summer contact information	This line will collect the name, phone number, and email of the holiday/vacation/summer contact.
16	Basic Information	Website	Website URL for school, school district, library, or consortium, etc. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.

Item Number	Section	Field Description	Purpose/Instructions
17	Basic Information	Consultant Information	System will ask for consultant name, registration number, consultant's employer, street address and telephone number, and e-mail address. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
18	Entity Information	Entity Number	Unique identifier assigned by the Administrator to each school, library outlet/branch, or NIF.
19	Entity Information	Name of the Individual School or Library Outlet/Branch, or NIF Name	If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
20	Entity Information	Physical Address	Physical address of each Individual School or Library Outlet/Branch. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
21	Entity Information	National Center for Education Statistics (NCES) School ID or Federal-State Cooperative System (FSCS) Library ID	For each school, this line will collect the NCES School ID. For each library, this line will collect the FSCS Library ID. (This line is not applicable to NIFs.) This information will pre-populated into this submission by the Administrator, if available.
22	Entity Information	Urban or Rural	The system will automatically determine the Urban/Rural status of the entity based on the physical address associated with that entity.
23	Entity Information	Tribal Entities and Tribal Affiliation	For each Tribal entity, this line will collect their Tribal affiliation. If the entity qualifies as Tribal, they will also include their Tribal Affiliation. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
24	Entity Information	Non-Instructional Facility (NIF)	Indicates whether the entity is a NIF. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
25	Entity Information	State Local Education Agency (LEA) ID	State school IDs (LEA code and school code). If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.

Item Number	Section	Field Description	Purpose/Instructions
26	Entity Information	State School ID	State school IDs (LEA code and school code). If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
27	Entity Information	Endowment Amount (Dollars)	Schools and school districts will be asked if they have an endowment and the amount of their endowment. This is related to the certification they make that they are eligible for Schools and Libraries Cybersecurity Pilot Program funding because they meet the statutory definition of an "elementary" or "secondary school" as defined in 47 CFR § 54.2000, do not operate as for-profit businesses, and do not have endowments exceeding \$50 million.
28	Entity Information	Maximum number of students on school premises at the same time	This field is defined as the maximum number of students on the premises at the same time. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
29	Entity Information	Maximum student count based on estimate (Yes/No)	Indicate if the maximum number of students in the school is based on an estimate. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
30	Entity Information	Alternative Discount	Applicant will indicate if they used an alternative discount methodology, such as a survey. Applicant will also indicate whether it has adopted the Community Eligibility Program (CEP) and if so, provide the percentage of direct certification students.
31	Entity Information	School Attributes	The list of attributes for a School includes: Public, Private, Pre-Kindergarten, Head Start, Adult Education, Juvenile Justice, Dormitory, Charter, Tribal, New Construction and ESA. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
32	Entity Information	Annex	Captures the following fields for an Annex: Name of Annex, Name of Associated School/Library, Entity Number for the Associated School/Library, Physical Address of the Annex, Square Feet (if a Library Annex), and Status (Values are: Active or Closed). If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.

Item Number	Section	Field Description	Purpose/Instructions
33	Entity Information	Total Square Footage of library outlet	Used to determine the Category Two budget for libraries. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
34	Entity Information	Library Main Branch? (Yes/No)	Used to determine if a library is a main branch. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
35	Entity Information	Billed Entity Number	The Administrator assigns a billed entity number (BEN) to the entity who pays the Service Provider for equipment and/or services delivered to eligible schools and libraries. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
36	Entity Information	Library Attributes	The list of attributes for a Library includes: Public, Private, Academic, Research, Tribal, Tribal College or University, Bookmobile, Kiosk, New Construction, Main Branch and State Library Agency. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
37	Entity Information	Institute of Museum and Library Services (IMLS) Locale Code	The IMLS assigns Locale Codes at the entity level (e.g., for each outlet/branch). Note that a library annex will have the same Locale Code as its associated outlet/branch. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
38	Entity Information	Total Number of Students Enrolled in School District	Total number of students in the school district should include all of the students in the school district as a whole, counting each student only once. If this information has already been entered into the applicant's profile, it will be pre-populated into this submission.
39	Entity Information	Percentage of Students in School District Eligible for NSLP	This is the percentage of students in the school district that are eligible for the National School Lunch Program (NSLP).
40	Entity Information	E-Rate Category One Discount Rate	System determines the discount rate that applies to E-Rate Category One service.
41	Entity Information	E-Rate Category Two Discount Rate	System determines the discount rate that applies to E-Rate Category Two services.

Item Number	Section	Field Description	Purpose/Instructions
42	Entity Information	Consortium E-Rate Discount Calculation and Rate	The system will calculate and display the consortium discount percentage rate, based on an average of student count data for all of the member entities participating on the FCC Form 471.
43	Entity Information	Schools and Libraries Cybersecurity Pilot Program Discount Rate	System determines the discount rate that will apply to the pilot program.
44	Contract Details	Contract Number	This is the number of the contract if the equipment and/or services are being received under contract.
45	Contract Details	Contract Nickname	Applicants can provide a unique name for the contract.
46	Contract Details	Has the applicant piggybacked off another contract or can other applicants use this contract to provide a competitive bid response (i.e., can they piggy back on this contract?) (Yes/No)	Piggybacking allows a contract negotiated by an entity to be used by other entities using the same terms of the contract. The contract issuer has to include piggybacking terms in the contract, and the vendor or contractor involved must agree. These contracts are traditionally for materials and equipment and are permitted only in certain jurisdictions.
47	Contract Details	State Master Contract	If buying off of a master contract signed by a state, regional, or local procurement agency on behalf of eligible schools and libraries, you may use either the master contract number or the number of your own purchase agreement executed pursuant to that master contract.
48	Contract Details	Billing Account Number With Service Provider	The account number that the Service Provider has established for billing purposes.
49	Contract Details	Allowable Vendor Selection/Contract Date	The system will determine and display the Allowable Vendor Selection/Contract Date based on the date of the posting of the establishing FCC Form 470.
50	Contract Details	Contract Award Date	The date that the contract for the equipment and/or services was executed.
51	Contract Details	Service Start Date	Provide the date when services will start in the funding year for which you are applying.

Item Number	Section	Field Description	Purpose/Instructions
52	Contract Details	Service End Date	Provide the date when services will end.
53	Contract Details	Contract Expiration Date for Current Term	The date the current contract term expires.
54	Contract Details	Contract Expiration Date if all Extensions are Exercised	If the contract includes a clause that permits the parties to extend or renew the agreement at the end of the current contract period, indicate the expiration date of the contract if all extensions and renewals were exercised.
55	Funding Request	Applicant Funding Request Numbers (FRN) Nickname	Applicants can provide a unique name for each FRN for their own recordkeeping purposes.
56	Funding Request	Funding Request Number (FRN)	A system-generated unique number or FRN to each funding request.
57	Funding Request	Continuation of an FRN from a previous funding year, based on a multi-year contract? (Enter FRN)	An applicant will be used to allow the system to copy FRN data from a previous funding year. This will allow applicant to bypass the need to reenter data for this FRN and make only the changes that have occurred since the previous year.
58	Funding Request	Equipment or Service Type	Applicant to provide a description of the type of equipment or service requested.
59	Funding Request	Establishing FCC Form 470 or Competitive Bidding Exemption	Applicant identifies the establishing Schools and Libraries Cybersecurity Pilot Program FCC Form 470 for the FRN or specifies an applicable competitive bidding exemption.
60	Funding Request	Number of vendors who provided a responsive bid	Provide the number of vendors who provided a responsive bid for the eligible equipment or services for which support is being requested in the funding request. Note that the criteria for responsiveness must be established in the original solicitation. This field is not required when support is requested for equipment or services that are exempt from the requirement to post an FCC Form 470.
61	Funding Request	Service Provider Identification Number (SPIN)	The 9-digit SPIN for the Service Provider that will provide service(s) for the funding request.
62	Funding Request	Service Provider Name	The online system will populate the full legal name associated with the SPIN entered. Applicant will manually input this information if the Service Provider information is not already in the system.

Item Number	Section	Field Description	Purpose/Instructions
63	Funding Request	Service Provider Contact Information	Name, Address, and Phone Number if the applicant is using a Service Provider who does not have a SPIN number. Applicant will manually input this information if the Service Provider information is not already in the system.
64	Funding Request	Tariffed or Month-to-Month Services	Indicates whether this funding request is for a non-contracted tariffed or month-to-month service.
If the funding requested above in the "Funding Request" section is for "Services," applicants fill out the "Funding Request - Line Item for Cybersecurity Services" section.			
65	Funding Request - Line Item for Cybersecurity Services	Narrative	Each Funding Request must include a description of the cybersecurity services being requested. Applicants will also be able to use this field to provide additional information for their request and upload supporting documentation.
66	Funding Request - Line Item for Cybersecurity Services	Type of Service	Applicants will indicate the type of service sought in the funding request through a combination of drop down menus and narrative text.
67	Funding Request - Line Item for Cybersecurity Services	Service Function	Applicants will indicate the functions of the services sought in the funding request through a combination of drop down menus and narrative text.
68	Funding Request - Line Item for Cybersecurity Services	Service Quantity	Applicants will indicate the quantities of the services sought in the funding request through a combination of drop down menus and narrative text.
69	Funding Request - Line Item for Cybersecurity Services	Bandwidth Upload speed	Only appears for services requests. Only needs to be completed if applicable to the requested Cybersecurity service.

Item Number	Section	Field Description	Purpose/Instructions
70	Funding Request - Line Item for Cybersecurity Services	Bandwidth Download speed (if different)	Only appears for services requests. Only needs to be completed if applicable to the requested Cybersecurity service.
71	Funding Request - Line Item for Cybersecurity Services	Recipient(s) of Service (Entity Numbers)	From the list of entities associated with the applicant's profile, the applicant would select the entity(ies) for which the line item provides cybersecurity services, either directly or indirectly.
72	Funding Request - Line Item for Cybersecurity Services	Direct Connection? (Yes/No)	The applicant is asked whether the cybersecurity service will use a direct connection to the school, library or NIF.
73	Funding Request - Line Item for Cybersecurity Services	Other Connection That is Not a "Direct" Connection? (Yes/No)?	The applicant is asked whether the cybersecurity service will use another type of connection that is not a direct connection to a school, library, or NIF. These are eligible connections sought by the applicant that do not go directly to a school, library, or NIF (e.g., WAN connections may provide both a direct connection to a school, library, or NIF but may also provide connections that do not go directly to the school, library, or NIF).
74	Funding Request - Line Item for Cybersecurity Services	Monthly Recurring Unit Cost	Applicants will indicate the monthly recurring unit cost of the services sought in the funding request through a combination of drop down menus and narrative text.
75	Funding Request - Line Item for Cybersecurity Services	Monthly Recurring Ineligible Cost	Applicants will indicate the monthly recurring ineligible cost of the services sought in the funding request through a combination of drop down menus and narrative text.

Item Number	Section	Field Description	Purpose/Instructions
76	Funding Request - Line Item for Cybersecurity Services	Monthly Recurring Eligible Cost	Applicants will indicate the monthly recurring eligible cost of the services sought in the funding request through a combination of drop down menus and narrative text.
77	Funding Request - Line Item for Cybersecurity Services	Monthly Quantity of Recurring Services	Applicants will indicate the monthly quantity of recurring services sought in the funding request through a combination of drop down menus and narrative text.
78	Funding Request - Line Item for Cybersecurity Services	Months of Service	Applicants will indicate the total months the services will be sought in the funding request through a combination of drop down menus and narrative text.
79	Funding Request - Line Item for Cybersecurity Services	Monthly Recurring Cost	Applicants will indicate the monthly recurring cost of the services sought in the funding request through a combination of drop down menus and narrative text.
80	Funding Request - Line Item for Cybersecurity Services	One-time Unit Cost	Applicants will indicate the one-time unit cost for the services sought in the funding request through a combination of drop down menus and narrative text.
81	Funding Request - Line Item for Cybersecurity Services	One-Time Quantity	Applicants will indicate the one-time quantity of the services sought in the funding request through a combination of drop down menus and narrative text.
82	Funding Request - Line Item for Cybersecurity Services	Total One-Time Cost	Applicants will indicate the total one-time cost of the services sought in the funding request through a combination of drop down menus and narrative text.

Item Number	Section	Field Description	Purpose/Instructions
83	Funding Request - Line Item for Cybersecurity Services	One-Time Ineligible Cost	Applicants will indicate the one-time ineligible cost of the services sought in the funding request through a combination of drop down menus and narrative text.
84	Funding Request - Line Item for Cybersecurity Services	Extended Line Item Cost	The system will automatically calculate the total pre-discount amount for this FRN line, based on the information provided.
If the funding requested above in the "Funding Request" section is for "Equipment," applicants fill out the "Funding Request - Line Item for Cybersecurity Equipment" section.			
85	Funding Request - Line Item for Cybersecurity Equipment	Narrative	Each Funding Request must include a description of the cybersecurity equipment being requested. Applicants will also be able to use this field to provide additional information for their request and upload supporting documentation.
86	Funding Request - Line Item for Cybersecurity Equipment	Type of Equipment	Applicants will indicate the type of equipment sought in the funding request through a combination of drop down menus and narrative text.
87	Funding Request - Line Item for Cybersecurity Equipment	Make	For cybersecurity equipment requests. Only one make per line item.
88	Funding Request - Line Item for Cybersecurity Equipment	Model	For cybersecurity equipment requests. Only one model per line item.
89	Funding Request - Line Item for Cybersecurity Equipment	One-time Unit Cost	Applicants will indicate the one-time unit cost of the equipment sought in the funding request through a combination of drop down menus and narrative text.

Item Number	Section	Field Description	Purpose/Instructions
90	Funding Request - Line Item for Cybersecurity Equipment	One-Time Quantity	Applicants will indicate the one-time quantity of the equipment sought in the funding request through a combination of drop down menus and narrative text.
91	Funding Request - Line Item for Cybersecurity Equipment	Total One-Time Cost	Applicants will indicate the total one-time cost of the equipment sought in the funding request through a combination of drop down menus and narrative text.
92	Funding Request - Line Item for Cybersecurity Equipment	One-Time Ineligible Cost	Applicants will indicate the one-time ineligible cost of the equipment sought in the funding request through a combination of drop down menus and narrative text.
93	Funding Request - Line Item for Cybersecurity Equipment	Extended Line Item Cost	The system will automatically calculate the total amount for this FRN line, based on the information provided.
Recipient of Service Information - Requested for Consortium applications only			
94	Funding Request - Consortium Applications	Recipients of Service	From the list of entities associated with the applicant's profile, the applicant would select the entity(ies) for whom the line item provides cybersecurity services.
95	Funding Request - Consortium Applications	Cost Allocation for Recipients of Cybersecurity Service	Enter the dollar amount provided for each recipient of cybersecurity service.
Invoicing Mode Selected			
96	Invoicing Mode Selected	Invoicing Mode Selected	Applicants will be required to select whether they will be invoicing the Administrator for the requested eligible equipment and/or service or if their Service Providers will be invoicing the Administrator for the requested eligible equipment and services.

Item Number	Section	Field Description	Purpose/Instructions
97	Invoicing Mode Selected	FCC Registration Number	This is the unique FCC identifier for the organization listed as the Service Provider who agreed to invoice the Administrator on behalf of the applicant. The applicant will be asked to input this number on the application if the Service Provider's FCC Registration number cannot be pre-populated.
98	Invoicing Mode Selected	Unique Entity Identification (UEI) Number	The UEI number is a unique nine-digit identifier for businesses. The applicant will be asked to input the UEI number of the Service Provider who agreed to invoice the Administrator on behalf of the applicant if the Service Provider's UEI number cannot be pre-populated.
Certifications			
99	Certifications	Signature of Authorized Person	The form must be certified electronically with the authorized person's applicant name and password.
100	Certifications	Date Signed	Auto generated by system.
101	Certifications	Name of Authorized Person	This is the name of the authorized person signing the form. This will be prepopulated based on the profile of the applicant signing the form electronically.
102	Certifications	Title or Position of Authorized Person	This is the title of the authorized person signing the form. This will be prepopulated based on the profile of the applicant signing the form electronically.
103	Certifications	Physical or Mailing Address of Authorized Person	This is the address (can be physical address or mailing address) of the authorized person signing the form. This will be prepopulated based on the profile of the applicant signing the form electronically.
