MEDICAL ASSESSMENT

SECTION 1 - Instructions

Some items on this form will not apply to you and you will not need to answer them. Based on your answer to a question, you may be told to skip to another item number, or even another section. Follow the instructions that tell you to "Go to" another item. These are designed to save you time and help you move through this Medical Assessment quickly, filling in only necessary information. If no "Go to" instructions are given, answer the next item in order. Do not skip any items unless directed to do so. Enter "NA" for not affected or "UNK" for unknown, as appropriate.

IMPORTANT NOTICES

PAPERWORK REDUCTION ACT AND PRIVACY ACT NOTICES

The information requested on this form is authorized by Section 7(b)(6) of the Railroad Retirement Act. While you are not required to respond, your cooperation is needed to provide information necessary to complete processing for the claimant named and to determine the claimant's entitlement to disability benefits under the Railroad Retirement Act.

We estimate this form takes an average of 30 minutes per response to complete, including time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Federal agencies may not conduct or sponsor, and respondents are not required to respond to, a collection of information unless it displays a valid OMB number. If you wish, send comments regarding the accuracy of our estimate or any other aspect of this form, including suggestions for reducing completion time, to Associate Chief Information Officer for Policy and Compliance, Railroad Retirement Board, 844 N. Rush Street, Chicago, IL 60611-1275.

COMPUTER MATCHING AND PRIVACY PROTECTION ACT NOTICES

The Computer Matching and Privacy Protection Act of 1988 (P.L. 100-503) requires the Railroad Retirement Board to advise you that information you have provided may be used, without your consent, in automated matching programs. These matching programs are a computer comparison of RRB records with records kept by other Federal, state, or local governmental agencies. Information from the programs can be used to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.
