PUBLIC REPORTING BURDEN STATEMENT

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0512. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are required to obtain a permit. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to Assistant Regional Administrator, Sustainable Fisheries Division, Alaska Region, NMFS, P.O. Box 21688, Juneau, AK 99802-1668.

PRIVACY ACT STATEMENT

Authority: The collection of this information is authorized under the Northern Pacific Halibut Act of 1982, 16 U.S.C. 773c.

Purpose: NMFS is collecting this information to manage the Subsistence Halibut Program.

Routine Uses: NMFS will use this information to determine the eligibility of the applicant to receive a tribal subsistence halibut registration certificate (SHARC) and to issue the SHARC if the application is approved. Responses to this information request are confidential under section 402(b) of the Magnuson-Stevens Act. They are also confidential under NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) to be shared among authorized staff for work-related purposes. Disclosure of this information is also subject to the published routine uses identified in the Privacy Act System of Records Notice [COMMERCE/NOAA-19](#), Permits and Registrations for the United States Federally Regulated Fisheries.

Disclosure: Furnishing this information is required to obtain or retain benefits. Failure to provide complete and accurate information may delay or prevent an eligible person from receiving a tribal SHARC.

INSTRUCTIONS

SHARC APPLICATION FOR A TRIBAL MEMBER

PROGRAM INFORMATION

The subsistence halibut fishery is authorized by Federal regulations at 50 CFR part 300 and provides for eligible persons to conduct subsistence halibut fishing in Convention waters off Alaska.

Only persons who are members of an Alaska Native tribe as defined in 50 CFR 300.65 may be issued a tribal SHARC.

Subsistence halibut means halibut caught by a rural resident or a member of an Alaska Native tribe for direct personal or family consumption as food, sharing for personal or family consumption as food, or customary trade.

Eligible persons are residents of particular rural communities or rural areas and all identified members of federally recognized Alaska Native tribes.

Alaska Native tribe means, for purposes of the subsistence fishery for Pacific halibut in waters in and off Alaska, a federally recognized Alaska Native tribe that has customary and traditional use of halibut and that is listed in 50 CFR 300.65(g)(2).
