Instructions
SUBSISTENCE HALIBUT
CEREMONIAL OR EDUCATIONAL PERMIT HARVEST (CPEP) LOG

The Subsistence Halibut Fishery is authorized by Federal regulations at 50 CFR part 300 and provides for eligible persons to conduct subsistence halibut fishing in Convention waters off Alaska. Subsistence halibut are halibut caught by a rural resident or a member of an Alaska Native tribe for direct personal or family consumption as food, sharing for personal or family consumption as food, or for customary trade. Subsistence fishing for halibut may be conducted only by persons who qualify for such fishing pursuant to paragraph 50 CFR 300.65(g) and who hold a valid subsistence halibut registration certificate (SHARC) in that person's name. Subsistence halibut fishing may be conducted in IPHC regulatory areas as shown in Figure 15 to 50 CFR part 679.

Ceremonial and Educational Permits are available exclusively to Alaska Native tribes. The Ceremonial and Educational Permits each consist of a harvest log and a single laminated permit card issued by National Marine Fisheries Service (NMFS).

Each Ceremonial or Educational Permit will expire **30 days from the date of issuance**. A tribe eligible to harvest subsistence halibut may apply for additional Ceremonial or Educational Permits at any time.

NOTE: As a prerequisite for receiving additional permits, **all previously issued harvest logs must be returned to NMFS at the time of application for a new permit**. A tribe that fails to return previously issued harvest logs will not receive any additional permit until all previously issued harvest logs are returned to NMFS.

Alaska Native tribes may appoint one coordinator per Ceremonial Permit and may appoint one authorized instructor per Educational Permit.

Each Ceremonial Permit Coordinator or Instructor must ensure—

- The designated harvesters or students who may fish under the Ceremonial or Educational Permit are identified on the Ceremonial/Educational Permit Harvest Log when the permit is used;
- The Ceremonial Permit remains in the possession of the Ceremonial Permit Coordinator or other tribal authority when not in use and is issued to designated harvesters when necessary; and
- All required recordkeeping and data reporting of subsistence harvests under the Ceremonial or Educational Permit are performed.

Each Ceremonial or Educational Permit log must be submitted to NMFS upon the expiration of each permit and must be received by NMFS within 15 days of the expiration by fax or mail, as provided below.
