A few words about transfers and renewals...

- Any change to the identity of the entities that own or lease the vessel, or to the vessel to which permits are issued, means the permit cannot be *renewed*. If the permit is a limited entry permit, it may be *transferred* to the new vessel or vessel owner(s) and lessee(s). If the permit is open access, a *new* permit may be obtained.
- Various restrictions apply to the renewal or transfer of limited entry permits and endorsements. Consult the applicable US Code of Federal Regulations, available online at <https://www.fisheries.noaa.gov/southeast/about-us/fishing-southeast>
- A vessel owner with moratorium Gulf of Mexico Coastal Migratory Pelagic Charter/Headboat and/or a Reef Fish Charter/Headboat permit(s) that transfers the permit(s) to another vessel owner or to another vessel, must remove the Federal Charter/Headboat decal from the vessel.
- With the exception of Sea Bass Pot endorsements and Golden Tilefish endorsements, NMFS cannot transfer expired permits/endorsements to a new permit holder. For all other limited entry permits, an applicant may transfer a permit only when the seller(s) signature is notarized BEFORE the expiration date, and the applicant submits an application to transfer the permit before the permit terminates, which is the date one year following the expiration date of the permit (or 6 months following the expiration date of a Golden Crab permit) and as printed on the face of the permit.
