ACCESS CODE

Dear [Study Area] Resident:

You have been randomly selected to take part in our important survey titled "York River Outdoor Recreation Survey: Understanding Visitor Experiences, Motivations, and Barriers." Even if you do not recreate in this area, **your help is essential** in shaping outdoor recreation experiences in and around the York River.

This survey should take no more than 15 minutes of your time, and **all responses will remain completely anonymous**. Your name is not associated with your survey in any way, so that your responses can never be traced back to you, and your participation is voluntary.

Results will be used by local policy makers, including park managers and local municipalities, to improve outdoor recreation experiences in and around the York River. We cannot send this survey to everyone, so your answers will represent the opinions of other residents in your area who are similar to you and your household.

We invite **the person in the household aged 18 years or older with the next upcoming birthday** to complete the survey. Please go to <https://tinyurl.com/XXX> and enter the **Access Code** printed at the top right of this letter to enter the online survey. We would greatly appreciate it if you could complete the survey within the next week.

As a token of appreciation for your time, we have sent \$2 to all potential participants. You may keep this money regardless of whether you choose to participate in the study or not.

Thank you in advance for being a part of this vital study to enhance outdoor recreation experiences in and around the York River.

Sincerely,

XXX
