TEAS - Version 3.8 : 07/14/2007

Each field name links to the relevant section of the "HELP" instructions that will appear at the bottom of the screen. Fields containing the symbol "*" must be completed; all other relevant fields should be completed if the information is known. If there are multiple signatories, click on the Form Wizard.

Important: ONCE THIS FORM IS SUBMITTED ELECTRONICALLY, THE OFFICE WILL IMMEDIATELY PROVIDE THE SENDER WITH AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission (or by the next business day).

Contact Points:

For general trademark information, please e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199. If you need help in resolving technical glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. For status information, use <http://tarr.uspto.gov/>.

NOTE: Do NOT attempt to check status until at least 72 hours after submission of a filing, to allow sufficient time for our databases to be updated.

Instructions

To file this form, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Validate the form, using the "button" at the end of the form. If there are errors, go back to step 1.
3. Use the Pay/Submit button at the bottom of the Validation Screen. This will allow you to choose from 3 different payment

- 1. methods: credit card, automated deposit account, or electronic funds transfer. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. Or, use the "Download Portable Data" Button to save your work for submission at a later time.
- 4. You will receive an e-mail acknowledgement of your submission.

NOTE:

1. Although filing a Statement of Use (SOU) is not required at the time of filing of this petition, it is recommended that you do so if the applicant has, in fact, already begun use of the mark in commerce. To access the electronic SOU form, click here. However, please note that you cannot file an electronic petition, and then immediately thereafter file an electronic SOU. You must wait until the petition has been acted upon; otherwise, the file will not be in the proper "status" for filing the SOU, and an "edit" will block your attempt.
2. You must pay the fees for all extension requests that came due after the NOA issued. Extension Requests are due every six (6) months from the mailing date of the Notice of Allowance until the SOU is filed.
3. You must continue to file Extension Requests every six-months (calculated from the mailing date of the NOA), until you file an SOU.
4. Second and subsequent Extension Requests must include a statement of the applicant's ongoing efforts to make use of the mark in commerce on or in connection with each of the goods/services that the extension request covers; or, a statement that the applicant believes that it has made valid use of the mark in commerce, and is in the process of preparing (or is concurrently filing) an SOU, but that if the USPTO finds the SOU to be fatally defective, the applicant will need additional time to file a new SOU.

Owner Information

Check here to modify the current applicant information. If not checked, the changes will be ignored.

Note: If this change relates to a change in the correspondence address or e-mail, please use the Change of Correspondence Address Form.

WARNING: The entity or person whose name appears immediately above may not, in fact, be the current owner of the application, even though the name has been automatically displayed. You must ensure the current owner data is correct **on this specific form** prior to transmission. It is NOT sufficient that you may have previously notified the USPTO of an ownership change by submitting an assignment recordal request, even if the current owner data is now correct in the USPTO's separate assignment database. **If the correct name does not appear in the box above, before filing you must:**

- (1) check the box above (top) that appears to the left of the words "Check here to modify the current applicant information."
- (2) delete the name that appears immediately above; and

(3) type in the name of the **current** owner of the application.

NOTE: You must limit your entry here, and for all remaining fields within this overall section, to no more than 40 characters (the storage limit for the USPTO database). This filing will electronically update the "Attorney of Record" data in the USPTO's, and no separate filing of an Appointment of Attorney signed by the applicant is necessary. But if you are a new, never-listed attorney, you may re-enter the proper information below

- has firsthand knowledge that the failure to file an SOU or Extension Request by the specified deadline was unintentional;
- requests the USPTO to revive the abandoned application.

NOTE: No petition will be granted that results in an SOU being filed more than 36 months from the issuance date of the Notice of Allowance.

Electronic Signature

The petition will not be "signed" in the sense of a traditional paper document. To verify the contents of the above, the signatory must enter any alpha/numeric character(s) or combination thereof of his or her choosing, preceded and followed by the forward slash (/) symbol. The USPTO does not determine or pre-approve what the entry should be, but simply presumes that this specific entry has been adopted to serve the function of the signature. Most signatories simply enter their names between the two forward slashes, although acceptable "signatures" could include /john doe/; /jd/; or /123-4567/.

The "Validate Form" function allows you to run an automated check to ensure that all mandatory fields have been completed. You will receive an "error" message if you have not filled in one of the five (5) fields that are considered "minimum filing requirements" under the Trademark Law Treaty Implementation Act of 1998. For other fields that the USPTO believes are important, but not mandatory, you will receive a "warning" message if the field is left blank. This warning is a courtesy, if non-completion was merely an oversight. If you so choose, you may by-pass that "warning" message and validate the form (however, you cannot by-pass an "error" message).

Note: To either print the completed application, in whole or in part, download and save the validated application, or electronically submit the application to the USPTO, click on the Validate Form button.
