U.S. Army Corps of Engineers WETLAND DETERMINATION DATA SHEET – Caribbean Islands Region

See ERDC/EL TR-11-4; the proponent agency is CECW-CO-R

OMB Control #: 0710-0024, Exp: 11/30/2024 Requirement Control Symbol EXEMPT: (Authority: AR 335-15, paragraph 5-2a)

Project/Site:			Sampling Date:			
Applicant/Owner:		PR or USVI: S	Sampling Point:			
Investigator(s):			Ward/E	state:		
Landform (hillside, terrace, etc.):						
Lat:						
Soil Map Unit Name:						
Are climatic / hydrologic conditions on the				No (If no, explain	·	
Are Vegetation , Soil , or Hyd				circumstances" present?		
Are Vegetation, Soil, or Hyd				olain any answers in Remar		_
SUMMARY OF FINDINGS – Att						s, etc.
Hydric Soil Present? Ye	s No_X s No_X s No_X	Area 1? Yes No_X_				
Remarks:						
VEGETATION – Use scientific n	ames of plants.					
Tree Stratum (Plot size:	Absolute % Cover	Dominant Species?		Dominance Test worksh	neet:	
2.				Number of Dominant Spe Are OBL, FACW, or FAC		(A)
3 4				Total Number of Dominar Across All Strata:	nt Species	(B)
5				Percent of Dominant Spe Are OBL, FACW, or FAC		(A/B)
	e:)					
1.				Prevalence Index works		
2. 3.				Total % Cover of: OBL species		
				FACW species		
4. 5.				FAC species	_	
		=Total Cover		FACU species		
Herb Stratum (Plot size:)			UPL species	x 5 =	
1				Column Totals:	(A)	(B)
2				Prevalence Index = B	3/A =	
3.				I hydrophytic Vocatation	Indiantoro	
4. 5.				Hydrophytic Vegetation 1 - Rapid Test for Hy		
6.				2 - Dominance Test is	1 , 3	
7.				3 - Prevalence Index		
8.				Problematic Hydroph	ytic Vegetation¹ (Exp	ılain)
Woody Vine Stratum (Plot size	e:)	=Total Cover		¹ Indicators of hydric soil a be present, unless disturb		y must
1				Hydrophytic		
2.		=Total Cover		Vegetation Present? Yes	NoX	
Remarks:

AGENCY DISCLOSURE NOTIFICATION

The public reporting burden for this collection of information, OMB Control Number 0710-0024, is estimated to average 30 minutes per response, including the timefor reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. PLEASE DO NOT RETURN YOUR REQUEST TO THE ABOVE EMAIL.

PRIVACY ACT STATEMENT

Authorities: Rivers and Harbors Act, Section 10, 33 USC 403; Clean Water Act, Section 404, 33 USC 1344; Marine Protection, Research, and Sanctuaries Act, Section 103, 33 USC 1413; Regulatory Programs of the Corps of Engineers; Final Rule 33 CFR 320-332. Principal Purpose: Information provided on this form will be used in evaluating the application for a permit. Routine Uses: This information may be shared with the Department of Justice and other federal, state, and local government agencies, and the public and may be made available as part of a public notice as required by Federal law. Submission of requested information is voluntary, however, if information is not provided the permit application cannot be evaluated nor can a permit be issued. One set of original drawings or good reproducible copies which show the location and character of the proposed activity must be attached to this application (see sample drawings and/or instructions) and be submitted to the District Engineer having jurisdiction over the location of the proposed activity. An application that is not completed in full will be returned. System of Record Notice (SORN). The information received is entered into our permit tracking database and a SORN has been completed (SORN #A1145b) and may be accessed at the following website: http://dpcld.defense.gov/Privacy/SORNsIndex/DOD-wide-SORN-Article-View/Article/570115/a1145b-ce.aspx
