I am calling on behalf of the U.S. Department of Health and Human Services. We are conducting MEPS which is a study about how people in the United States use and pay for health care. For quality assurance and training purposes, this call may be monitored.

I recently spoke with {POC YOU ARE WORKING WITH FOR DATA COLLECTION} about the study. I'm calling to confirm that you are in fact the best person to receive the form[s] and information about the study by fax, and confirm your contact information so that I can address the information to you.
