INTRODUCTION:

May I please speak to [POC NAME]?
Hello, my name is (YOUR NAME).

I am calling on behalf of the U.S. Department of Health and Human Services. We are conducting MEPS which is a study about how people in the United States use and pay for health care. For quality assurance and training purposes, this call may be monitored.

I recently spoke with {POC YOU ARE WORKING WITH FOR DATA COLLECTION} about the study. I explained that at this time, [NUMBER FROM SBD PATIENT LIST] patient[s] identified [PROVIDER_NAME] as a source of health care during [FILL_YR]. [The/Each] patient signed an authorization form allowing us to contact you for information about the cost of the care they received from [PROVIDER_NAME] in [FILL_YR]. Much of the information we need is within the physician billing and payment records containing professional fees.

{POC YOU ARE WORKING WITH FOR DATA COLLECTION} has agreed to participate and provide us with the information we are looking for, but has requested that we first send you a copy of the authorization form[s] in order to receive permission to release the data to us.

I'm calling to confirm that you are in fact the best person to receive the form[s] and information about the study by fax, and confirm your contact information so that I can address the information to you.

- By professional fees, I mean fees that cover services provided by the physician during the patient's hospital stay but are not part of the hospital bill.
