

Medicaid Section 1135 Waiver of SPA Submission Requirements Template

A state or territory may request a Section 1135 SPA process waiver(s) if the President has declared a major disaster or an emergency under the Stafford Act, or an emergency under the National Emergencies Act, and the Secretary of the Department of Health and Human Services has declared a public health emergency. The Centers for Medicare and Medicaid Services (CMS) will review the state's request to determine whether the section 1135 waiver request will help the state or territory ensure that sufficient health care items and services are available to meet the needs of individuals enrolled in the Medicaid program.

Note: State Medicaid Agencies must request separate section 1135 waiver authority for each Emergency Relief SPA submitted. Agencies may not request section 1135 waiver authority for a SPA that includes any changes that restrict or limit payment, services, or eligibility, or otherwise burden beneficiaries and providers.
