§ 2550.408g-1 Investment advice - participants and beneficiaries.

(a) *In general.*

(1) This section provides relief from the prohibitions of section 406 of the Employee Retirement Income Security Act of 1974, as amended (ERISA or the Act), and section 4975 of the Internal Revenue Code of 1986, as amended (the Code), for certain transactions in connection with the provision of investment advice to participants and beneficiaries. This section, at paragraph (b), implements the statutory exemption set forth at sections 408(b)(14) and 408(g)(1) of ERISA and sections 4975(d)(17) and 4975(f)(8) of the Code. The requirements and conditions set forth in this section apply solely for the relief described in paragraph (b) of this section and, accordingly, no inferences should be drawn with respect to requirements applicable to the provision of investment advice not addressed by this section.

(2) Nothing contained in ERISA section 408(g)(1), Code section 4975(f)(8), or this regulation imposes an obligation on a plan fiduciary or any other party to offer, provide or otherwise make available any investment advice to a participant or beneficiary.

(3) Nothing contained in ERISA section 408(g)(1), Code section 4975(f)(8), or this regulation invalidates or otherwise affects prior regulations, exemptions, interpretive or other guidance issued by the Department of Labor pertaining to the provision of investment advice and the circumstances under which such advice may or may not constitute a prohibited transaction under section 406 of ERISA or section 4975 of the Code.

(b) *Statutory exemption* -

(1) *General.* Sections 408(b)(14) and 408(g)(1) of ERISA provide an exemption from the prohibitions of section 406 of ERISA for transactions described in section 408(b)(14) of ERISA in connection with the provision of investment advice to a participant or a beneficiary if the investment advice is provided by a fiduciary adviser under an “eligible investment advice arrangement.” Sections 4975(d)(17) and (f)(8) of the Code contain parallel provisions to ERISA sections 408(b)(14) and (g)(1).

(2) *Eligible investment advice.* For purposes of section 408(g)(1) of ERISA and section 4975(f)(8) of the Code, an “eligible investment advice arrangement” means an arrangement that meets either the requirements of paragraph (b)(3) of this section or paragraph (b)(4) of this section, or both.

(3) *Arrangements that use fee leveling.* For purposes of this section, an arrangement is an eligible investment advice arrangement if -

(i)

(A) Any investment advice is based on generally accepted investment theories that take into account the historic risks and returns of different asset classes over defined periods of time, although nothing herein shall preclude any investment advice from being based on generally accepted investment theories that take into account additional considerations;

(B) Any investment advice takes into account investment management and other fees and expenses attendant to the recommended investments;

(C) Any investment advice takes into account, to the extent furnished by a plan, participant or beneficiary, information relating to age, time horizons (e.g., life expectancy, retirement age), risk tolerance, current investments in designated investment options, other assets or sources

of income, and investment preferences of the participant or beneficiary. A fiduciary adviser shall request such information, but nothing in this paragraph (b)(3)(i)(C) shall require that any investment advice take into account information requested, but not furnished by a participant or beneficiary, nor preclude requesting and taking into account additional information that a plan or participant or beneficiary may provide;

(D) No fiduciary adviser (including any employee, agent, or registered representative) that provides investment advice receives from any party (including an affiliate of the fiduciary adviser), directly or indirectly, any fee or other compensation (including commissions, salary, bonuses, awards, promotions, or other things of value) that varies depending on the basis of a participant's or beneficiary's selection of a particular investment option; and

(ii) The requirements of paragraphs (b)(5), (6), (7), (8) and (9) and paragraph (d) of this section are met.

(4) Arrangements that use computer models. For purposes of this section, an arrangement is an eligible investment advice arrangement if the only investment advice provided under the arrangement is advice that is generated by a computer model described in paragraphs (b)(4)(i) and (ii) of this section under an investment advice program and with respect to which the requirements of paragraphs (b)(5), (6), (7), (8) and (9) and paragraph (d) are met.

(i) A computer model shall be designed and operated to -

(A) Apply generally accepted investment theories that take into account the historic risks and returns of different asset classes over defined periods of time, although nothing herein shall preclude a computer model from applying generally accepted investment theories that take into account additional considerations;

(B) Take into account investment management and other fees and expenses attendant to the recommended investments;

(C) Appropriately weight the factors used in estimating future returns of investment options;

(D) Request from a participant or beneficiary and, to the extent furnished, utilize information relating to age, time horizons (e.g., life expectancy, retirement age), risk tolerance, current investments in designated investment options, other assets or sources of income, and investment preferences; provided, however, that nothing herein shall

preclude a computer model from requesting and taking into account additional information that a plan or a participant or beneficiary may provide;

(E) Utilize appropriate objective criteria to provide asset allocation portfolios comprised of investment options available under the plan;

(F) Avoid investment recommendations that:

(1) Inappropriately favor investment options offered by the fiduciary adviser or a person with a material affiliation or material contractual relationship with the fiduciary adviser over other investment options, if any, available under the plan; or

(2) Inappropriately favor investment options that may generate greater income for the fiduciary adviser or a person with a material affiliation or material contractual relationship with the fiduciary adviser; and

(G)(1) Except as provided in paragraph (b)(4)(i)(G)(2) of this section, take into account all designated investment options, within the meaning of paragraph (c)(1) of this section, available under the plan without giving inappropriate weight to any investment option.

(2) A computer model shall not be treated as failing to meet the requirements of this paragraph merely because it does not make recommendations relating to the acquisition, holding or sale of an investment option that:

(i) Constitutes an annuity option with respect to which a participant or beneficiary may allocate assets toward the purchase of a stream of retirement income payments guaranteed by an insurance company, provided that, contemporaneous with the provision of investment advice generated by the computer model, the participant or beneficiary is also furnished a general description of such options and how they operate; or

(ii) The participant or beneficiary requests to be excluded from consideration in such recommendations.

(ii) Prior to utilization of the computer model, the fiduciary adviser shall obtain a written certification, meeting the requirements of paragraph (b)(4)(iv) of this section, from an eligible investment expert, within the meaning of paragraph (b)(4)(iii) of this section, that the computer model meets the requirements of paragraph (b)(4)(i) of this section. If, following certification, a computer model is modified in a manner that may affect its ability to meet the requirements of paragraph (b)(4)(i), the fiduciary

adviser shall, prior to utilization of the modified model, obtain a new certification from an eligible investment expert that the computer model, as modified, meets the requirements of paragraph (b)(4)(i).

(iii) The term “eligible investment expert” means a person that, through employees or otherwise, has the appropriate technical training or experience and proficiency to analyze, determine and certify, in a manner consistent with paragraph (b)(4)(iv) of this section, whether a computer model meets the requirements of paragraph (b)(4)(i) of this section; except that the term “eligible investment expert” does not include any person that: Has any material affiliation or material contractual relationship with the fiduciary adviser, with a person with a material affiliation or material contractual relationship with the fiduciary adviser, or with any employee, agent, or registered representative of the foregoing; or develops a computer model utilized by the fiduciary adviser to satisfy this paragraph (b)(4).

(iv) A certification by an eligible investment expert shall -

(A) Be in writing;

(B) Contain -

(1) An identification of the methodology or methodologies applied in determining whether the computer model meets the requirements of paragraph (b)(4)(i) of this section;

(2) An explanation of how the applied methodology or methodologies demonstrated that the computer model met the requirements of paragraph (b)(4)(i) of this section;

(3) A description of any limitations that were imposed by any person on the eligible investment expert's selection or application of methodologies for determining whether the computer model meets the requirements of paragraph (b)(4)(i) of this section;

(4) A representation that the methodology or methodologies were applied by a person or persons with the educational background, technical training or experience necessary to analyze and determine whether the computer model meets the requirements of paragraph (b)(4)(i); and

(5) A statement certifying that the eligible investment expert has determined that the computer model meets the requirements of paragraph (b)(4)(i) of this section; and

(C) Be signed by the eligible investment expert.

(v) The selection of an eligible investment expert as required by this section is a fiduciary act governed by section 404(a)(1) of ERISA.

(5) *Arrangement must be authorized by a plan fiduciary.*

(i) Except as provided in paragraph (b)(5)(ii) of this section, the arrangement pursuant to which investment advice is provided to participants and beneficiaries pursuant to this section must be expressly authorized by a plan fiduciary (or, in the case of an Individual Retirement Account (IRA), the IRA beneficiary) other than: The person offering the arrangement; any person providing designated investment options under the plan; or any affiliate of either. Provided, however, that for purposes of the preceding, in the case of an IRA, an IRA beneficiary will not be treated as an affiliate of a person solely by reason of being an employee of such person.

(ii) In the case of an arrangement pursuant to which investment advice is provided to participants and beneficiaries of a plan sponsored by the person offering the arrangement or a plan sponsored by an affiliate of such person, the authorization described in paragraph (b)(5)(i) of this section may be provided by the plan sponsor of such plan, provided that the person or affiliate offers the same arrangement to participants and beneficiaries of unaffiliated plans in the ordinary course of its business.

(iii) For purposes of the authorization described in paragraph (b)(5)(i) of this section, a plan sponsor shall not be treated as a person providing a designated investment option under the plan merely because one of the designated investment options of the plan is an option that permits investment in securities of the plan sponsor or an affiliate.

(6) *Annual audit.*

(i) The fiduciary adviser shall, at least annually, engage an independent auditor, who has appropriate technical training or experience and proficiency, and so represents in writing to the fiduciary adviser, to:

(A) Conduct an audit of the investment advice arrangements for compliance with the requirements of this section; and

(B) Within 60 days following completion of the audit, issue a written report to the fiduciary adviser and, except with respect to an arrangement with an IRA, to each fiduciary who authorized the use of the investment advice arrangement, in accordance with paragraph (b)(5) of this section, that -

(1) Identifies the fiduciary adviser,

(2) Indicates the type of arrangement (*i.e.*, fee leveling, computer models, or both),

(3) If the arrangement uses computer models, or both computer models and fee leveling, indicates the date of the most recent computer model certification, and identifies the eligible investment expert that provided the certification, and

(4) Sets forth the specific findings of the auditor regarding compliance of the arrangement with the requirements of this section.

(ii) With respect to an arrangement with an IRA, the fiduciary adviser:

(A) Within 30 days following receipt of the report from the auditor, as described in paragraph (b)(6)(i)(B) of this section, shall furnish a copy of the report to the IRA beneficiary or make such report available on its Web site, provided that such beneficiaries are provided information, with the information required to be disclosed pursuant to paragraph (b)(7) of this section, concerning the purpose of the report, and how and where to locate the report applicable to their account; and

(B) In the event that the report of the auditor identifies noncompliance with the requirements of this section, within 30 days following receipt of the report from the auditor, shall send a copy of the report to the Department of Labor at the following address: Investment Advice Exemption Notification, U.S. Department of Labor, Employee Benefits Security Administration, Room N-1513, 200 Constitution Ave., NW., Washington, DC 20210, or submit a copy electronically to *InvAdvNotification@dol.gov*.

(iii) For purposes of this paragraph (b)(6), an auditor is considered independent if it does not have a material affiliation or material contractual relationship with the person offering the investment advice arrangement to the plan or with any designated investment options under the plan, and does not have any role in the development of the investment advice arrangement, or certification of the computer model utilized under the arrangement.

(iv) For purposes of this paragraph (b)(6), the auditor shall review sufficient relevant information to formulate an opinion as to whether the investment advice arrangements, and the advice provided pursuant thereto, offered by the fiduciary adviser during the audit period were in compliance with this section. Nothing in this paragraph shall preclude an

auditor from using information obtained by sampling, as reasonably determined appropriate by the auditor, investment advice arrangements, and the advice pursuant thereto, during the audit period.

(v) The selection of an auditor for purposes of this paragraph (b)(6) is a fiduciary act governed by section 404(a)(1) of ERISA.

(7) *Disclosure to participants.*

(i) The fiduciary adviser must provide, without charge, to a participant or a beneficiary before the initial provision of investment advice with regard to any security or other property offered as an investment option, a written notification of:

(A) The role of any party that has a material affiliation or material contractual relationship with the fiduciary adviser in the development of the investment advice program, and in the selection of investment options available under the plan;

(B) The past performance and historical rates of return of the designated investment options available under the plan, to the extent that such information is not otherwise provided;

(C) All fees or other compensation that the fiduciary adviser or any affiliate thereof is to receive (including compensation provided by any third party) in connection with -

(ii)

(A) The notification required under paragraph (b)(7)(i) of this section must be written in a clear and conspicuous manner and in a manner calculated to be understood by the average plan participant and must be sufficiently accurate and comprehensive to reasonably apprise such participants and beneficiaries of the information required to be provided in the notification.

(B) The appendix to this section contains a model disclosure form that may be used to provide notification of the information described in paragraph (b)(7)(i)(C) of this section. Use of the model form is not mandatory. However, use of an appropriately completed model disclosure form will be deemed to satisfy the requirements of paragraphs (b)(7)(i) and (ii) of this section with respect to such information.
