Dear Employer,

Every three years, the Utana Dept of Workforce Services and the Bureau of Labor Statistics (BLS) request that you verify general business information about your firm to help us maintain accurate records. Your cooperation is essential so that we are able to produce data that are complete, accurate, and timely.

To reduce costs and save tax dollars, the Industry Verification Form has been moved online and can be completed in about fifteen minutes. To further reduce costs, the Industry Verification web system was developed alongside the existing web system for the Multiple Worksite Report, BLS-3020, which you also file for your firm.

Please use the User ID and password below to log into the secure BLS website: <https://idcf.bls.gov/>

**USER ID: 1061234567**

**PASSWORD: Ab123456**

You will find detailed reporting instructions on the back of this letter.

This survey is authorized by 29 U.S. Code, Section 2.

The Industry Verification Form, BLS-3023 is approved with O.M.B No. 1220-0032, in cooperation with the U.S. Department of Labor. The information collected by the Utana Dept of Labor and BLS will be used for statistical and Unemployment Insurance program purposes and other purposes in accordance with law. Additional information and instructions for this survey can be found at: [www.bls.gov/respondents/ars/](http://www.bls.gov/respondents/ars/)

Please provide your response by **October 31, 2023**. Thank you in advance for your cooperation.

Sincerely,

Kelly Quinn  
U.S. Bureau of Labor Statistics
