

2024 Business Response Survey on Telework, Hiring, and Vacancies Questionnaire

The Bureau of Labor Statistics (BLS) is looking to understand telework, hiring, and vacancies at your business. This information is particularly critical in understanding how the labor market has changed since the onset of the COVID-19 pandemic. You'll see questions about telework, newly hired workers, and existing vacancies at your business location.

Please continue to this short survey about this business location's telework policies, recent experiences in hiring, and current vacancies.

Please answer the following questions for this business location only.

Telework is a work arrangement that allows an employee to work at home, or from another remote location, by using the internet or a computer linked to one's place of employment, as well as digital communications such as email and phone.

1. Do any employees at this location CURRENTLY telework in any amount?
 Yes
 No -> GO TO Q3
2. In a typical week, what percent of employees CURRENTLY telework in the following amounts?
Answers should total 100%
____ % all the time (remote employee)
____ % some of the time (some work hours or days via telework)
____ % rarely or never (rare occasions of telework, or full-time on-site)
3. In the next 6 months, does this location expect the amount of time that employees are permitted to telework to...
 increase.
 decrease.
 stay the same.

This next section refers to any hiring done by this location in July 2024. When answering Please include only new hires at this specific location, and not any other locations of this company.
