What is the purpose of this continuation certificate?

We, the brewery (as principal) and the surety (or sureties), promise ourselves to the United States of America for payment in the amount of this bond in lawful money of the United States. This bond firmly binds ourselves, together and individually, our heirs, executors, administrators, successors, and assigns.

At the premises identified in this certificate I am now engaged in, or intend to continue to engage in:

- the business of producing beer on the premises of the brewery; OR
- the operation of a pilot brewing plant.

These are the terms of this certificate.

1. What is the certificate effective date?

- The certificate is effective only if TTB agrees to accept it.
- If TTB accepts this certificate it is effective without notice to us.
- The certificate effective date is the date listed on the front of this form. The certificate will not in any case be effective before the date

2. When does this certificate expire?

- This certificate expires with respect to the accrual of further liability four years from the effective date.
- We may continue the certificate in force for additional, successive periods of four years by mutually agreeing to extend the certificate, with a Brewer's Bond Continuation Certificate, TTB F 5130.23. The certificate will continue in force only if TTB agrees to accept the continuation certificate.

These are the conditions of this certificate.

1. Continuation of bond: We agree to continue in force the bonds and continuation certificates we list on the front of this certificate. We continue these bonds subject to all provisions of law and regulations that apply to brewer's bonds.

2. Liability: I, the brewery, must pay to the United States, according to the laws and regulations of the United States, the taxes on all beer, including penalties and interest, for which I become liable.

(a) Liability as a brewery: I am liable for taxes for all beer removed for consumption or sale, including beer I:

- (1) transfer to this brewery from other breweries or pilot brewing plants I control;
- (2) import in bulk and remove from Customs custody for transfer to my internal revenue bond;
- (3) remove without payment of tax for export, for use as supplies on vessels or aircraft, or for transfer to and deposit in foreign-trade
- (4) remove without payment of tax for laboratory analysis, or for authorized research, development or testing, of processes, systems, materials,

(b) Liability as a pilot brewing plant: As a pilot brewing plant operator, I am liable for taxes for all beer I brew, produce, or receive on the pilot brewing plant.

3. Faithful compliance: I must faithfully comply in all respects, without fraud or evasion, with all legal and regulatory requirements relating to the production and sale of beer.

4. Full obligation: This obligation remains in full force and effect until I fulfill my obligations under the laws and regulations.

5. Changes while certificate is in effect: We, the brewery and the surety (or sureties), agree that all stipulations, covenants, and agreements of this certificate extend and apply equally to any change in the business that requires a new or amended Brewer's Notice for this brewery or pilot brewing plant. This condition does not apply when the change is a change in the ownership of the business or in a change of location of the premises.

6. We agree that TTB may grant the brewery an installment payment agreement for taxes, penalties, and interest. Installment agreements are within the terms and conditions of the bond and do not affect TTB's ability to pursue all available remedies against us under the bond.

7. United States action if we breach any condition: On the breach of any of the conditions of this certificate, the United States may pursue remedies against the brewer or surety (or sureties) independently, or against both jointly. The surety (or sureties) waives any right or privilege to
