IMPORTANT NOTES

- Only original signatures and forms will be accepted (stamped signatures are not acceptable).

1. RESOLUTION

Provide the **name(s)** and **title(s)** of the individual(s) being granted authority.

Provide the complete legal name and Taxpayer Identification Number or account number of the organization.

Indicate whether individuals may act separately or if they must act jointly. If neither box is selected, the authority to act jointly will be assumed **unless** the names are joined by "**or**." Please note that a TreasuryDirect entity account manager must be certified to act alone.

Indicate whether the named individual(s) are authorized to execute a bond of indemnity on behalf of the organization. Otherwise, it will be assumed that named individuals do NOT have the authority to execute a bond of indemnity. Generally, a bond of indemnity will only be used for lost definitive security claims.

Indicate the time period the authority will remain in effect. If the authority to act has no specified effective time limit, "until revoked" should be checked. Otherwise, it will be assumed the authorization is valid for one year.

If the authority granted is restricted to specific accounts/securities, mark the appropriate box and attach a page describing the accounts/securities. If the authority granted is for all accounts/securities, mark that box. If neither box is selected, it will be assumed that the authorization is for all accounts/securities.
