📅 Early Filing

If you are applying based on lawful permanent residence for 5 years, you may generally file your application up to 90 days before meeting the required 5-year period of continuous residence as a lawful permanent resident. If you are applying based on your marriage to a U.S. citizen, you may generally file up to 90 days before meeting the required 3-year period of continuous residence as a lawful permanent resident.

However, applicants filing up to 90 days before meeting the continuous residence requirement must still meet all other requirements for naturalization at the time of filing Form N-400. If these requirements are not met at the 90-day period, the applicant must wait to file until the requirement is met, otherwise, the application will be rejected or denied. For example:

- If you are applying under Immigration and Nationality Act (INA) section 319(a) as the spouse of a U.S. citizen, you must have been married to a U.S. citizen for at least 3 years at the time you file Form N-400; or
- If you request an exception to the English testing requirements, you must meet the requirements for the exception (age and years as a lawful permanent resident) when you file Form N-400.

Use the [USCIS Early Filing Calculator](#) to ensure that you file your Form N-400 no earlier than 90 days before you complete the required period.

Note: We will reject your application if you submit it too early.

💰 Fee

The filing fee is **\$640**.

A biometric services fee of **\$85** is also required, regardless of where the applicant lives and whether the applicant is filing from inside or outside the United States. The total payment is **\$725**.

Note: Current and former members of the U.S. armed forces filing under INA section 328 or 329 are not required to pay the filing fee or the biometric services fee.

Fee reduction: If you are requesting a fee reduction, you cannot file online. You must file a paper version of [Form N-400, Application for Naturalization](#).

Fee waiver: If you are requesting a fee waiver, you cannot file online. You must file a paper version of both the [Form I-912, Request for Fee Waiver](#), and [Form N-400, Application for Naturalization](#). You can review the fee waiver guidance at www.uscis.gov/feewaiver.

Refund policy: USCIS does not refund fees, regardless of any action we take on your application, petition or request, or how long USCIS takes to reach a decision. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

📄 Filing online

Submitting your application online is the same as mailing in a completed paper form. They both gather the same information and cost the same.

📁 Documents you may need

We will automatically determine which documents you need to provide us as you fill out your application. At the time of filing, you must submit all evidence and supporting documentation listed.

The other documents you need will depend on the information you provide in the application, such as your personal history, family, and circumstances.

👤 Biometric services appointment

USCIS may require you to appear for an interview and provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. If we determine that a biometric services appointment is necessary, we will send you an appointment notice with the date, time, and location of your appointment. If you are currently overseas, your notice will instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

At your biometrics appointment, you must sign an oath reaffirming that:

- You provided or authorized all information in the application;
- You reviewed and understood all of the information contained in, and submitted with, the application; and
- All of this information was complete, true, and correct at the time of filing.

If you do not attend your biometric services appointment, we may deny your application.

Lawful Admission for Permanent Residence

In general, you must show that you have been lawfully admitted to the United States for permanent residence in accordance with all applicable provisions of the Immigration and Nationality Act (INA) in effect at the time of your admission or adjustment. This requirement applies to your initial admission as a lawful permanent resident (LPR) or adjustment to LPR status, as well as all subsequent reentries into the United States.

In addition, you must show that you have not abandoned your LPR status. If you leave the United States and demonstrate you no longer intend to reside in the United States, that is abandoning LPR status.

Time as Lawful Permanent Resident

In general, you must be a lawful permanent resident for 5 years before applying for naturalization unless you are:

- A U.S. noncitizen national (person born in American Samoa or Swains Island);
- Applying for naturalization based on service in the U.S. armed forces;
- Applying for naturalization based on being a spouse of a U.S. citizen, including the spouse of a U.S. citizen in qualified employment outside the United States; or
- Applying for naturalization under the Violence Against Women Act (VAWA) based on being a spouse or child of a U.S. citizen who battered you or subjected you to extreme cruelty.

U.S. Nationals

If you are a U.S. noncitizen national (you were born in American Samoa or Swains Island), you may apply for naturalization without LPR status.

Residence of Students

Lawful permanent resident students who are eligible for naturalization may apply for naturalization either in the USCIS district where they go to school or in the USCIS district where their parents live if they are still financially dependent on their parents.

Applicants for Naturalization Based on Military Service During a Period of Hostilities

If you apply for naturalization under INA section 329 (service during hostilities), you may apply for naturalization without LPR status, if you were in the United States or certain other specified areas at the time of enlistment, reenlistment, extension of enlistment, or induction.

Conditional Permanent Residents

If you are a conditional permanent resident, you must file Form I-751, Petition to Remove Conditions on Residence, or Form I-829, Petition by Investor to Remove Conditions on Permanent Resident Status, within 90 days before your conditional permanent resident status expires, unless you can establish good cause and extenuating circumstances for failing to file Form I-751 or Form I-829 during that time period. In most cases, you must have an approved Form I-751 or Form I-829 before we can approve your application for naturalization.

Military members applying under INA section 329 and certain spouses of U.S. citizens employed outside the United States by qualified organizations under INA section 319(b) do not need an approved Form I-751 or Form I-829.

N-400-012 PRA REV – APPLICATION OVERVIEW

Physical Presence Requirements

Certain applicants must meet physical presence requirements in the United States. Physical presence refers to the number of days you must be physically present in the United States during the period of continuous residence required before you file Form N-400.

In general, you must have been physically present in the United States for a period or periods totaling at least half of the required continuous residence period. We will count the day that you depart from the United States and the day you return as days of physical presence within the United States for naturalization purposes.

The following are common bases of eligibility for naturalization, and if applicable, how long a person eligible under those provisions must have been present in the United States:

- If you have been a lawful permanent resident for 5 years (general provision), then you must have been present in the United States for 30 months (913 days) during the past 5 years.
- If you are the spouse of a U.S. citizen, then you must have been present in the United States for 18 months (548 days) during the past 3 years.
- If you were a member of the U.S. armed forces for at least 1 year but did not serve during a designated period of hostilities and separated from service more than 6 months before applying for naturalization, then you must have been present in the United States for 30 months (913 days) during the past 5 years.
- If you are a U.S. Government employee or contractor outside the United States, then you must have been present in the United States for 30 months (913 days) during the past 5 years.
- If you are employed outside the United States in a religious vocation, then you must have been present in the United States for 30 months (913 days) during the past 5 years.
- If you are employed by or under contract with the Chief of Mission (Department of State) or the U.S. armed forces as an interpreter, translator, or in a security-related position (executive or manager), then you must have been present in the United States for 30 months (913 days) during the past 5 years.
- If you are a U.S. national, then you must have been present in the United States for 30 months (913 days) during the past 5 years.

There is no physical presence requirement (and no requirement to file Form N-470) if you are applying as:

- A currently serving member of the U.S. armed forces or a former service member who separated from service within 6 months of applying for naturalization;
- A former service member who served in an active-duty status in the U.S. armed forces or as a member of the Selected Reserve of the Ready Reserve during a designated period of hostilities;
- The spouse of a U.S. citizen currently residing outside the United States, if your spouse is employed outside the U.S. in a religious vocation or by the U.S. Government, an American institution of research, certain American firms or corporations, or certain public international organizations; or
- An employee of a U.S. nonprofit organization that principally promotes the interests of the United States outside the United States through the communications media.

Note: Time spent outside the United States in the U.S. armed forces counts as time spent in the United States.

Note: If you are a U.S. Government employee or contractor outside the United States, you are exempt from the physical presence requirement, if you have an approved Form N-470. You must have had 1 year of uninterrupted physical presence before you filed Form N-470.

Note: If you are employed in a religious vocation, with an approved Form N-470, your time outside the U.S. counts as time in the United States. You must have 1 year of uninterrupted physical presence in the United States before you file Form N-400.

Note: Your entire period outside the United States may count as physical presence in the United States if you are engaged in qualifying employment for any portion of the period outside the United States.

Note: Time in American Samoa or Swains Island counts as time in the United States.

N-400-012 PRA REV – APPLICATION OVERVIEW

Good Moral Character

Good Moral Character (GMC) means character that measures up to the standards of average citizens of the community in which the applicant resides. In general, an applicant must show that they have been and continue to be a person of GMC during the required period (for example, 5 years if you are applying based on 5 years as a lawful permanent resident or 3 years if you are applying as the spouse of a U.S. citizen) prior to filing and up to the time of the Oath of Allegiance.

N-400-012 PRA REV – APPLICATION OVERVIEW

Naturalization Testing and Exceptions

Almost all applicants for naturalization must take a naturalization test to demonstrate that they are able to read, write, speak, and understand English, and that they have a basic knowledge of civics (U.S. history and government). You do not have to take the English reading, writing, speaking and understanding test, and you can take the civics test in a language of your choice if at the time you file your application:

- You are 50 years of age or older and have been a lawful permanent resident for at least 20 years; or
- You are age 55 years or older and have been a lawful permanent resident for at least 15 years.

If you are 65 years of age or older and have been a lawful permanent resident for at least 20 years, you may take a simplified version of the civics test. [Learn more about the civics test here.](#)

You may be eligible for an exception to the English language test or civics test or both if you have a physical or developmental disability or mental impairment that has lasted, or is expected to last, 12 months or more. If you are requesting a medical exception to the English language and civics tests, answer “Yes” to the question in the Requests for Accommodations page in the About You section. You will also need to submit a completed Form N-648, Medical Certification for Disability Exceptions, with your Form N-400. [You can find and download Form N-648 here.](#)

Note: If you need an interpreter and you qualify for an exception to the English part of the test, you must bring an interpreter to the interview.

Legal Guardian, Surrogate, or Designated Representative

If you cannot undergo any part of the naturalization process because of a physical or developmental disability or mental impairment, you may have a legal guardian, a surrogate, or an eligible designated representative complete the naturalization process for you.

N-400-012 PRA REV – APPLICATION OVERVIEW

Oath of Allegiance

If USCIS approves your application, you must take the Oath of Allegiance to become a U.S. citizen. In limited cases, you may take a modified Oath.

Modification to the Oath

You may request a modification to portions of the Oath requiring you to bear arms on behalf of the United States or perform noncombatant service in the U.S. armed forces if you have a religious or conscientious objection to those portions. You may not request a modification to the portion of the Oath requiring you to perform work of national importance under civilian direction. You may provide, but we do not require, an attestation from an organization, a witness statement, or any other evidence to support your objection to bear arms or perform noncombatant service.

Affirmation

You may request to substitute the words “solemnly affirm” for the words “on oath” and omit “so help me God.” You may request this affirmation instead of an Oath for any reason without documentation.

Oath Waiver

You may receive a waiver of the Oath of Allegiance if you are unable to understand or to communicate an understanding of the meaning of the Oath because of a physical or developmental disability or mental impairment.

 You may need to provide a status information letter from the Selective Service

Since you indicated you are 26 years old or older, but you did not register with the Selective Service System, you should provide a status information letter from the Selective Service with your application.

[Download the Selective Service status information letter here.](#)

You can upload your letter as evidence or bring it with you to your naturalization interview.

Note: If you are 31 years of age or older (or 29 years of age or older if you are applying based on being the spouse of a U.S. citizen) at the time you file your Form N-400, you do not need to provide a status information letter from the Selective Service.

Why did you not register with the Selective Service?

If you are now at least 26, but under 31 years of age (or at least 26, but under 29 years of age if you are applying based on being the spouse of a U.S. citizen), you must explain why you did not register.

Provide an explanation.
