

Instructions for Request for Fee Waiver

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form I-912
OMB No. 1615-0116
Expires 09/30/2024

What Is the Purpose of Form I-912?

You may request a fee waiver if you are unable to pay the filing fees or biometric services fees for an application or petition that is eligible for a fee waiver. When you request a fee waiver, you must clearly demonstrate that you are unable to pay the fees. For purposes of this form, the Requestor is the primary applicant or petitioner requesting the immigration benefit and fee waiver. The Requestor can also be the parent or legal guardian of a child or person with a physical, developmental, or mental disability who is the primary applicant or petitioner. If an individual is under 14 years of age, a parent or legal guardian may sign the request on behalf of that person.

Please note the Form I-912 must be submitted in the name of the primary applicant requesting the immigration benefit fee and waiver.

You can find the list of applications and petitions that are eligible for a fee waiver at www.uscis.gov/I-912 or refer to 8 CFR 106.3(a)(3). For filing tips and additional information, see www.uscis.gov/feewaiver.

You do not need to submit Form I-912 for an application or petition that does not require a filing fee or if you qualify for a fee exemption based on your immigration status. See Form G-1055, available at www.uscis.gov/forms, for specific information about the fee exemptions available.

How to File Form I-912

You must file this fee waiver request with all applications and petitions for which you are requesting a fee waiver. **If you are filing joint forms that have fees (for example, I-485 and I-765), you only need to file one Form I-912.** You do not have to file a separate Form I-912 for the filing fee and the biometric services fee (if applicable).

You may file one Form I-912 for all family-related applications or petitions filed at the same time. For example, if you file Form I-765, Application for Employment Authorization, and your spouse and children are filing separate Form I-765s at the same time, you only need to file one Form I-912 for all Form I-765s. You must send all forms together.

Specific Instructions

Part 1. Basis for Your Request

Item Number 1. Select a basis for your request. You are not required to complete the entire section of this request. Rather, select one basis or more for which you may qualify and complete the corresponding section as explained below in Parts 4., 5., and 6.

Part 2. Information About You (Requestor)

Item Number 2. Full Name. Provide your full name. If you have two last names, include both in the Family Name box and use a hyphen (-) if appropriate. If you do not have a middle name, type or print "N/A."

Item Number 3. Other Names Used (if any). Provide all other names you have used, including your maiden name.

Item Number 4. Alien Registration Number (A-Number) (if any). Provide your A-Number. We use your A-Number to identify your immigration records. It begins with an "A" and can be found on correspondence you have received from the Department of Homeland Security (DHS) or USCIS. If you do not have an A-Number, type or print "N/A."

Item Number 5. USCIS Online Account Number. You will only have a USCIS Online Account Number (OAN) if you previously filed a form that has a receipt number that begins with IOE. If you filed the form online, you can find your OAN in your account profile. If you mailed us the form, you can find your OAN at the top of the Account Access Notice we sent you. If you do not have a receipt number that begins with IOE, you do not have an OAN. The OAN is not the same as an A-Number.

Item Number 6. Date of Birth (mm/dd/yyyy). Provide your date of birth in mm/dd/yyyy format. For example, enter May 1, 1979, as 05/01/1979.

Item Number 7. U.S. Social Security Number (if any). Provide your U.S. Social Security number. If you do not have a U.S. Social Security number, type or print "N/A."

Item Number 8. Marital Status. Indicate your current marital status.

Part 3. Applications and Petitions for Which You are Requesting a Fee Waiver

Item Number 1. Complete the table for yourself and each person requesting a fee waiver with you. Provide the form numbers and the total number of applications and petitions for which you and any family members are requesting a fee waiver.

Part 4. Means-Tested Benefits

Item Number 1. If you, your spouse, **your parent (if you are under 21 or disabled), or your child** living with you receives a means-tested benefit, complete the table. You must attach supporting documentation. If you provide sufficient proof that you **or your qualifying family member** receive a means-tested benefit, your fee waiver will generally be approved. A means-tested benefit is a public benefit where a person's eligibility for the benefit, the amount of the benefit, or both, is based on the person's income and resources. USCIS will consider means-tested benefits that are Federally, state, or locally funded and granted by the benefit agency.

Examples of means-tested benefit programs are Medicaid, Supplemental Nutrition Assistance Program (known as "SNAP" and formerly called Food Stamps), Temporary Assistance to Needy Families (TANF), and Supplemental Security Income (SSI), **or other public assistance**. Consult with your benefit-granting agency or your legal advisor to determine whether any Federal, state, or local public benefit that you may receive qualifies as a means-tested benefit.

For the purposes of determining an inability to pay the filing fee of the petition or application, the following are not considered means-tested benefits: Medicare; unemployment benefits; Social Security retirement benefits; Social Security Disability Insurance (SSDI); Social Security Retirement, Survivors, and Disability Insurance (RSDI); or student financial aid.

1. Individual Receipt of a Means-Tested Benefit

- A. The individual **must demonstrate personal receipt** of a means-tested benefit. **When a parent is residing with a child who is receiving public housing or Section 8 benefits, Medicaid, Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), or Supplemental Security Income (SSI), the parent is also considered to be receiving the means-tested benefit.**
- B. If a child is the sole applicant, **the child** may provide an individual means-tested benefit or a custodial parent's means-tested benefit, if living in the same household.
- C. If multiple children are filing at the same time, each child must have an individual receipt of a means-tested benefit or be under the parent's household who is receiving a means-tested benefit. **USCIS considers children living in the same household to be receiving the means-tested benefit if the parent(s) are also living in the same household.**

2. Family Member's Means-Tested Benefits

- A. Your spouse and unmarried children under 21 years of age living with you will normally qualify for a fee waiver as part of your household if you are receiving means-tested benefits.
- B. If your spouse is receiving a means-tested benefit, you will normally qualify for a fee waiver as long as you are residing with your spouse and are not legally separated.
- C. You may **use a child's public housing or Section 8 subsidy, Medicaid, SNAP, TANF, or SSI** if the child is living in the same household.
- D. If you are 21 years of age or older, you cannot use a parent's means-tested benefits (such as SSI), even if the parent is living with you, as evidence of your eligibility for a fee waiver **unless you are disabled and your parent is your legal guardian or surrogate**. However, you may use information **about your parent's means-tested benefits** to support a fee waiver **request under Part 6. Financial Hardship** if the award letter or benefit approval document indicates the total household income and you are otherwise eligible under those criteria.

3. Documentation

- A. To qualify for a fee waiver, the evidence that you provide must demonstrate that you are currently receiving the means-tested benefit. This evidence can be in the form of a letter, notice, or other agency documents that indicate that the benefit is being received.
- B. Documentation must contain:
- (1) Your name (or the name of the person receiving the benefit);
 - (2) The name of the agency granting the public benefit;
 - (3) The type of benefit; and
 - (4) An indication that the benefit is currently being received (for example, a recently dated letter or document with effective dates, date of renewal or period the approval ends, if available).
- C. If the documentation is more than 12 months old and the benefit is still being received, provide additional evidence that shows the benefit is currently being received.

Part 5. Income at or Below 150 Percent of the Federal Poverty Guidelines

To qualify for the fee waiver, your **adjusted gross** household income must be at or below 150 percent of the Federal Poverty Guidelines, at the time of filing, based on your household size. The Federal Poverty Guidelines are established by the Secretary of the Department of Health and Human Services annually. To obtain information on the current Federal Poverty Guidelines, visit our Web site at www.uscis.gov/I-912P and review Form I-912P, Poverty Guidelines for Fee Waiver Request.

Your Employment Status

Item Number 1. Employment Status. Indicate your current employment status. If you are both employed and a student, select Other and provide an explanation.

Item Number 2. Indicate if you are currently receiving unemployment benefits. If applicable, provide the date that you became unemployed and include the total amount of unemployment benefits you have received in **Item Number 7**.

Information About Your Spouse

Item Number 3. Indicate whether your spouse is living with you. If your spouse lives with you, list your spouse in the table provided in **Item Number 4**. If applicable, indicate whether your spouse provides any financial support to your household. If your spouse provides any financial support to your household, include any contributions that your spouse provides to your household in **Item Number 7**.

Your Household Size

Item Number 4. Indicate whether you are providing the primary financial support for your household.

Complete the table with the information requested about the members of your household including their names, dates of birth, relationship to you, whether the person is married, whether the person is a full-time student, and whether the person earns income counted towards household income.

If you are applying for any immigration benefits (such as for adjustment of status) based on a pending or approved petition or application for VAWA benefits or T or U nonimmigrant status and your head of household, the person upon whose tax return you are listed as a dependent, or one of your household members is or was your abuser or human trafficker, do not list that person in **Item Number 4**, or their income in **Item Numbers 5 - 9**, below.

For the last column (Is any income earned by this person counted towards the household income?), select yes if income is received consistently or regularly as wages or salary from these household members' employment or business.

At the end of the table, provide the total number of household members. Include the following people, who are dependent on your income, your spouse's income, or the head of household's income, as part of your household size:

1. You;
2. The head of your household (if not you). If the child is applying individually, provide the information of the primary custodial parent;
 - A. You are the head of household if you filed the most recent Federal tax return for your household (includes filing as head of household) or earned the majority of the income for your household.
 - B. If you are not the head of household, the head of household is the person who filed the most recent Federal tax return on which you are listed as a dependent or the person who provides the majority of your household's income. If you already have or are applying for Special Immigrant Juvenile (SIJ) classification, do not include any foster or group home household members.
3. Your spouse, if living with you (if you are separated or your spouse is not living with you, do not include your spouse); or
4. Any family members living in your household who are dependent on your income, your spouse's income, or the head of household's income, including:
 - A. Your children or legal wards who are unmarried and under 21 years of age, and who live with you;
 - B. Your children or legal wards who are unmarried, are over 21 years of age but under 24 years of age, are full-time students, and who live with you when not at school;
 - C. Your children or legal wards who are unmarried and for whom you are the legal guardian because they are physically or developmentally disabled or mentally impaired to the extent that they cannot adequately care for themselves and cannot establish, maintain, or re-establish their own household;
 - D. Your parents who live with you; and
 - E. Any other dependents listed on your Federal tax return or your spouse or head of household's Federal tax returns.

Your Annual **Adjusted Household Income**

Item Number 5. Your Annual Income. Provide information on your annual income. If you filed a Federal tax return, enter the amount from Line 37 (adjusted gross income) on Internal Revenue Service (IRS) Form 1040, U.S. Individual Income Tax Return. If you have not filed a Federal tax return, take your total household wage income (before any deductions) for the previous 12-month period and enter that amount as your household's annual income. If you have not filed a Federal income tax return but you have an IRS Form W-2, Wage and Tax Statement, that covers the previous 12-month period, take your total wage income, deduct Federal, state, and local income taxes withheld, and enter that amount as your household's annual wage income.

Documentation. To document your annual income, provide **copies of the following:**

1. A copy of your most recent Federal tax return, **if available;**
2. If you did not file a Federal tax return, or if your Federal tax return does not properly reflect your current income, submit copies of consecutive pay statements (stubs) for a minimum of the past month, recent Form W-2, Form SSA-1099, or statements from your employers on business stationery showing salary or wages paid;
3. If you are a student and not living with your parents or are not claimed as a dependent on your parents' Federal tax return, do not include your parents' incomes. You should only provide proof of your income or documentation that shows you are not required to file a Federal or state tax return, such as proof that you are a full-time student as supporting documentation;

4. If you are recently unemployed, and your annual income on your Federal tax return or other proof of income is above 150 percent of the Federal Poverty Guidelines, describe your particular situation that you believe qualifies you for a fee waiver in **Part 5., Item Number 9.** Provide information regarding any unemployment benefits you are currently receiving;
5. If you do not have any income, financial support, or cannot provide evidence of income, describe your particular situation that you believe qualifies you for a fee waiver in **Part 5., Item Number 9.** If available, you may submit affidavits from, for example, religious institutions, non-profits, community-based organizations, or similarly recognized organizations, indicating that you are currently receiving some benefit or support from the organization verifying (or attesting to) your **situation.**

Item Number 6. Annual Adjusted Income of All Household Members. Provide the annual income from all family members counted as part of your household.

1. If a person lives with you, but does not contribute financial support to your household, then you should not include this person's income when calculating your household income.
2. If you are separated or still married, but do not live with your spouse, do not include your spouse's income. However, you must include any financial support your spouse provides to your household in **Item Number 7.**
3. If you are applying for any immigration benefits (such as for adjustment of status) based on the Violence Against Women Act (VAWA), or T or U nonimmigrant status under the Victims of Violence and Trafficking Protection Reauthorization Act, do not provide your spouse's income. **You do not need to include as a household member or provide income for:**
 - Any person in the household who is or was the requestor's abuser, human trafficker, or perpetrator; or
 - A person who is or was a member of the abuser, human trafficker, or perpetrator's household.
4. If you are a full-time student, over 21 years of age but under 24 years of age, are unmarried, and are living with your parents, or you are claimed as a dependent on your parents' Federal tax return, include your parents' income. You must provide a copy of both parents' Federal tax returns and your own Federal tax return, or provide proof of income as supporting documentation.
5. If members of your household are recently unemployed, and your annual household income on your Federal tax return or other proof of income is above 150 percent of the Federal Poverty Guidelines, describe your particular situation that you believe qualifies you for a fee waiver in **Part 5., Item Number 9.**
6. **If members of your household are recently unemployed, describe the particular situation in Part 5., Item Number 9.**

Documentation. To document your household members' incomes, provide the following:

1. A copy of each household member's most recent Federal tax return, **if available;**
2. If the household member did not file a Federal tax return, or if the tax return does not properly reflect their current income, submit copies of consecutive pay statements (stubs) for a minimum of the past month, a recent Form W-2, Form SSA-1099, or employer statements on business stationery showing salary or wages paid; or
3. If you do not have any income or cannot provide evidence of income for your household, describe your particular situation in **Part 5., Item Number 9.** If applicable, you may submit affidavits from religious institutions, non-profits, or community-based organizations verifying that you are currently receiving some benefit or support from them. **In addition, if no unemployment compensation is being received, you may submit a letter of termination from the employer.**

Item Number 7. Total Additional Income or Financial Support. Provide additional income or financial support from a source outside your household. Type or print "0" if you have no additional income. You must include any consistent or regular financial support or additional income contributed to your household by any person living with you or not living with you, even if it is not part of the household for tax purposes.

Select any type of additional income you are receiving including any amount of money that you receive annually that is not included in **Item Number 5.** or **6.**

Documentation. You must document additional financial assistance as income. Include the following information:

1. Documentation such as parental support; alimony; child support; educational stipends; pensions; Social Security; royalties, pensions, veterans benefits; unemployment benefits; and consistent or regular financial support from adult children, parents, dependents, or other people living in your household.
2. A court order of any child support or documentation that indicates the actual amount of child support amount being received (for example, bank statements or IRS Form W-2), or documentation from an agency providing the other income or financial assistance.
3. **A copy of your most recent Federal tax return, if available.** If you are receiving unemployment benefits, the tax document, IRS Form 1099-MISC, is not enough to establish total income. **Provide information regarding any unemployment benefits you are currently receiving in Part 5., Item Number 9.**

Item Number 8. Total Household Adjusted Gross Income. Provide the total household income. Add the amounts from **Item Numbers 5., 6., and 7.** USCIS will compare this amount to the Federal Poverty Guidelines.

If you do not have any income, financial support, or cannot provide evidence of income, describe your particular situation that you believe qualifies you for a fee waiver in **Part 5., Item Number 9.** If applicable, you may submit affidavits from religious institutions, non-profits, or community-based organizations verifying that you are currently receiving some benefit or support from them.

Item Number 9. Indicate whether any information (including marital status, income, and list of dependents) in your Federal tax return is different from what you indicate in Form I-912. Provide the reasons for any changes in circumstances and any differences between the tax returns and information in your Form I-912. If you need to explain anything else about your circumstances that affect the income determination, use the space provided in **Part 10. Additional Information.**

Part 6. Financial Hardship

- Situations that could not normally be expected in the regular course of life events.
